MARCH 31, 1962

Atco's Bobby Darin continues to develop into one of the entertainment world's biggest names. On records, his success chain is unbroken in both singles and albums. His two part "What'd I Say" single is already on its way toward the top ten and the album from which it stems, "Bobby Darin Sings Ray Charles," should soon be following suit on the LP best seller list. On the movie front, Darin is currently shooting "If A Man Answers" at U.-I. Darin will be starred in five films all to be released during the calendar year 1962 (reported to be a talking pictures record for a performer). The pics include Paramount's "Too Late Blues" and "Hell Is For Heroes," 20th-Fox' "State Fair," Stanley Kramer's "Pressure Point" and "If A Man Answers."

FILM MUSIC

Just as spoken word comedy material was the rage of 1960-1961 album season, film themes seem to be the rage thus far in 1962.

As we approach the "Oscar" season each year and columnists devote unbelievable space to their choices for best this and best that as well as best song, albums dealing with the subject of Motion Picture Themes seem to reach their annual high. Then the remainder of the year sees occasional releases dealing with this subject.

But ever since November of 1961 we have been literally inundated with albums dealing with film music. One can, of course, never point to any one specific package as the cause of this trend, but we do feel the success during 1961 of the "Exodus" film track on Victor from a non-musical movie, the huge showing made by "Great Motion Picture Themes" featuring a variety of artists on the UA label, the tremendous showing of the "Never On Sunday" track, another non-musical pic, also on UA, and Mantovani's powerful showing with "Exodus" and other film themes on London, all acted as the foundation for the wealth of film LP's currently being issued.

About a half dozen years ago the great degree of failure of background music tracks from dramatic films resulted in almost no such albums being released for a period of time. But with interesting jazz scores being featured in more films during the past half decade, certain tracks were hand-picked and issued with greater frequency. Last year's success of some of the above mentioned LP's from non-musical films set the stage for the release this year of the tracks from almost every important film, as well as some from not so significant pics.

Of course a number of people will be badly burned for issuing film tracks which seemingly have no good reason for being released. But in this "who can tell what will and won't sell business," the tremendous profit which a hit film LP of any type may reap lures many into taking a crack at a movie LP. For example, of last year's six biggest LP's, four dealt with movies: "Exodus," "Great Motion Picture Themes," "G.I. Blues," by Elvis Presley, and "Never On Sunday."

It goes without saying that the film-track of a musical movie always has tremendous potential and usually enjoys a great sale. Evidence of this can be noted by the huge success of "West Side Story," "Blue Hawaii," and "Flower Drum Song" currently sitting in the one, two and six spots on the album best seller list.

But with "Breakfast At Tiffany's," Mancini's exciting score, hitting so tremendously this year added to the success of last year's tracks plus the sales racked up on "Great Themes" ideas, we can expect to see a continuous flow of film merchandise during the remainder of 1962.

ACE CANNON (Hi 2051)

Saxist Cannon, whose instrumentalists broke thru the hit barrier with "Tuff," appears to have that important hit follow-up in this new Hi issue. It's an oh-so-relaxed entry, tabbed "Blues (Stay Away From Me)," that the jocks are sure to cotton to real quick. More of the same on the "Blues In My Heart" session.

THE AMERICAN LONDON GROUP

539 W. 25 St., N. Y. 1, N. Y.

Marek To Speak At NAMM Show

NEW YORK—George R. Marek, vice president and general manager of RCA Victor Records, will be the featured speaker at the opening luncheon of the 1962 Music Industry Trade Show & Convention, to be offered in New York from June 24-28. He will speak on "The Music Merchant's Responsibility to Music."

The luncheon, a highlight of the show, sponsored by the National Association of Music Merchants (NAMM), is scheduled for Monday (25). Honor guests at the speakers table will include officers of NAMM as well as officers and industry trustees of the American Music Conference.

Marek was recently set as a featured speaker at next month's Miami meet of the National Association of Rack Merchandisers (NARM).

The luncheon will also see the "coronation" of the Music Queen of 1962, who will be selected by a panel of celebrity judges, including Bing Crosby, Mitch Miller and Jose Melis. Among her prizes will be an all-expense trip to New York, $2,000 worth of merchandise being contributed by music firms and a tiara and medallion from NAMM.

Chairman of the luncheon will be Ted Korten, NAMM president.

Duane Eddy To Cut For RCA Victor

NEW YORK—The strong teen-market sounds of guitarist Duane Eddy will now be heard on RCA Victor Records, it was announced by Robert L. Yorke, commercial creation department veep.

Eddy's sessions will be released on Victor through Camy Productions, which also produces dates by Paul Anka, recently pacted to the label.

Since making his debut in 1958, the former Jamie performer has received 15 gold disks, three for EP's and four for albums. His singles hits have included "Moovin' & Groovin'," "Rebel Rouser," "Ramrod," "Cannonball," "Detour," "40 Miles of Bad Road," "Because They're Young," and "Pepe."

Eddy is also establishing himself in other areas, having appeared in two feature flicks, "Because They're Young" and "Thunder of Drums" and TV's "Have Gun—Will Travel."

In his announcement, Yorke stated: "Duane Eddy is unquestionably one of the foremost instrumentalists and popular personalities in our industry today. His potential for future global stardom and recording sales is untapped and unlimited."

Dolton LP Program

HOLLYWOOD — The entire Dolton Records' LP catalog, including dates by The Fleetwoods and The Ventures and Vic Dana, is now available under a special discount program.

Included are two new LPs, "The Fleetwoods Sing the Best Goodies of the Oldies—Vol. 1" and "The Ventures' Twist Party—Vol. 2."

The plan, which began March 19 and concludes April 30, offers: a 15% cash discount, taken off the face of invoice, on the dealer's entire order of new releases and back-catalog LP's; 100% exchange privilege with merchandise exchangeable any time after Aug. 1, 1962; payable one-half May 10, one-half June 10.

Riverside Keeps Name In Foreign Expansion

NEW YORK—Bill Grauer Productions, parent company of the Riverside Jazzland, Wonderland, Washington, Offbeat, Battle and Popside labels, plans to further build the Riverside name abroad by releasing all material from its various catalogs under the Riverside banner.

Under a recent agreement between Interdisc, the European distributing organization representing BGP abroad, and N. V. Philips' Phonographic Industries, Riverside will now be distributed and promoted throughout the world by the Philips' organization.

Grauer noted that under the Interdisc set-up, his earnings abroad have tripled during the past two and one-half years he has been represented by the Swiss-based firm, and the exec predicts an even more dramatic rise in sales as a result of the new move. The agreement with Philips' calls for the major part of the present Grauer catalog, over 750 LPs, to be merchandised as it has been with Interdisc, with Philips' concentrating on the items with major sales potential and some of the present Interdisc distributors concentrating on the more specialized catalog items.

Handling the four months of negotiations necessary to conclude the Riverside segment of Interdisc's agreement with Philips' were Grauer, Philips' commercial manager Tony Van der Haar, Herman Cats of the Fontana label and Alan Bates of Interdisc.

Philips' is expected to draw heavily on the Grauer and other Interdisc lines to broaden the jazz repertoire of the Philips' and Fontana catalogs. Riverside will maintain label identity throughout the Philips' territories.

A considerable portion of Philips' past volume has been with jazz material so it is expected that both PPI and Interdisc will put full promotion behind Riverside's modern and classic jazz catalogs and its contract artists such as Cannonball Adderley, Milt Jackson, Bill Evans, Wes Montgomery and many others.

As a result of the agreement, Riverside will work closely with Philips' to launch a comprehensive recording program in each of the countries, putting local talent on wax for release in the individual country or to be simultaneously released on Riverside in the U.S.

ASCAP vs BMI Rate Dispute Far From Settlement

NEW YORK—After two weeks of meetings and statements by the factions involved, there were strong indications by last week's end that ASCAP's move to end broadcasters' ties with BMI—via a reduction in rates (about 16½% over a 10 year period)—would not be resolved before sometime to come.

Mum was the word for all the parties contacted last week. A meeting here last Thursday (22) of the All-Industry Television Station Music License Committee, authorized to accept or reject the offer for 369 TV outlets (radio is not involved in the proposal), produced no results one way or another.

Though Hamilton Shea of WSVA-TV-Harrisonburg, Va., chairman of the TV committee, said last week that there was "quite a discussion" at the gathering, also attended by BMI officials, he could not reveal "anything at this time."

Herman Finkelstein, ASCAP's counsel, said that ASCAP had planned "no further meetings" on the subject and that the clearing house preferred to "make statements in court."

However, the controversy will probably be brought up at this week's (29) east coast general membership meeting of ASCAP in the Grand Ballroom of the Hotel Astor, this city, starting at 2:30 PM.

The proposal for a new rate schedule came from Chief Judge Sylvester J. Ryan of the U.S. Southern District Court, who is handling the rate plan after the failure of ASCAP and the TV committee to reach a settlement.

Counsels for ASCAP and BMI are scheduled to appear at a hearing with Judge Ryan on April 25.

Sparks are almost certain to fly when the National Association of Broadcasters (NAB) convenes in Chicago next week (April 1-4).

The dramatic issue between ASCAP and BMI has led to an analysis of which clearing house has the best of the other in the programming of material.

It has been learned that in radio exposure, BMI provides 49% of all radio music, while ASCAP music accounts for 41% (the remaining 10% comes from PD music or from other clearing houses).

Figures for TV are unavailable, but it is believed that the breakdown is the same as that of radio.

BMI has reported other statistical information: BMI and ASCAP are about equal in the amount of TV network evening time devoted to background music licensed by the two clearing houses; ASCAP is ahead of BMI, about 5 to 4 in the area of background music on TV networks on an all-day basis; ASCAP runs 2 to 1 ahead of BMI in the performance of feature music on the networks.

BMI also reports that seven out of every 10 pop singles contain material licensed by BMI. There are no figures on album exposure.

The standing in yearly revenue from broadcasters puts ASCAP way out front. The total revenue by both licensing organizations is $45.8 million, with ASCAP getting $33.1 million (or 72%) and BMI pulling in $12.7 million (or 28%).

Besides the reduction in rates offered BMI, under the proposal, would operate in a manner similar to ASCAP. It would thus also be under a consent decree, signed by ASCAP after the Federal Government had initiated anti-trust litigation against ASCAP, and its fees would be set by Federal courts.

Six Month LP Discount From Cameo/Parkway

NEW YORK—A six month discount program on LP's has been announced by the Cameo/Parkway setup.

Feature of the plan, which began March 1 and ends Aug. 30, is a 12½% discount on any of the 80 assorted albums contained in a pre-pack, including releases by Chubby Checker and Bobby Rydell. Also available to qualifying dealers is 90 day dating.

Backing up the program are free sales and merchandising displays, including four-color floor browsers, two interchangeable four-color back displays and artist divider cards.

Chirumbolo Heads Verve Album Sales

NEW YORK—Vic Chirumbolo has been upped to national sales manager of albums for Verve Records.

Chirumbolo, who previously was east coast regional sales manager, will function under the direct supervision of Andy Miele, director of marketing for MGM/Verve, and will only handle Verve product.

Sales of all singles on MGM, Verve, Cub and Choreo will remain under the jurisdiction of Lenny Scheer.

In another move, Joe Fields has joined Verve as eastern field representative. Fields comes to the label after serving as national sales manager for singles at London Records. Before that, he held a sales post at Columbia. He reports to Chirumbolo.

"Changing Role" of Rack-Jobber To Key NARM's Miami Meet

PHILADELPHIA — "The Changing Role of the Record Merchandiser" will be the theme of the upcoming (April 8-12) fourth annual meet of the National Association of Record Merchandisers (NARM) at Miami Beach's Eden Roc Hotel, and will serve as a guide for the business sessions at the meet.

A highlight of the business session of Tuesday, April 10, will be a Workshop Presentation, prepared by Dr. Alton F. Doody, assistant Professor of Marketing at Ohio State University, who has done a great deal of independent, academic research in the marketing of records. He will discuss the opportunities for growth that are available to the record merchandiser, and the problems accompanying these opportunities. Doody will also discuss the proper perspective of the field of rack-jobbing as it fits into the scope of the entire record industry.

By including on the program a marketing expert from outside the industry itself, in addition to the manufacturers and rack jobbers who will participate, it is felt that a complete view of record merchandising will be presented, and will give those attending the convention an over-all and thorough picture of the rack-jobbing field.

Assisting Dr. Doody in preparing his presentation were the co-chairmen of the workshop committee, Edward M. Snider of Edge, Ltd. in Washington, D.C., and James J. Tiedjens of Musical Isle Record Corp. in Milwaukee, Wisc.

NARM Meet To Hear Complete Rack Study

JULES MALAMUD
Executive Secretary, NARM

PHILADELPHIA — The statistical study on the rack-jobbing field has been completed by NARM, the rack-jobbers' association, and will be revealed by Jules Malamud, executive secretary, at NARM's meet in Miami next month.

Malamud, at the Monday, April 9, business session, will present what is termed "the first authentic, statistical picture of record rack merchandising ever to be compiled . . ." The total NARM gross volume figure will be revealed, as well as a thorough examination given to the types of outlets which the racks service, to the type of product with which they do their volume, to the geography which they cover in their operations, and to the rate and type of growth which has been evident in the field.

Malamud stated: "Because of the excellent cooperation of the regular members [rack-jobbers] . . . we now have, in the NARM Study, as a service to the entire industry as well as to our own membership, a picture of our field which we hope will lead to better understanding among the record merchandiser, the manufacturer, and the distributor. In presenting an authentic, statistical picture of our field which we hope will lead to better understanding among the record merchandiser, the manufacturer, and the distributor. In presenting an authentic, statistical picture of our current status, we now have a basis on which to build for future growth, through cooperative industry effort."

Command To Continue Steinberg Promos

NEW YORK — Command Record's success with concentrated local advertising and in-store promotional tie-ins in connection with the current tour of William Steinberg and the Pittsburgh Symphony has resulted in the label's decision to expand the program into the spring, according to Command's executive head Enoch Light.

Steinberg has recorded two stereo albums already released by Command, Brahms Symphony No. 1 & 2 and a third to be released next month, Wagner's "Der Ring Des Nibelungen." He completed his current tour with an appearance at Carnegie Hall, N.Y., last weekend (25).

"Our emphasis on local dealer and advertising promotions in connection with the Steinberg discs has paid off," Light noted. "For example, sales on the two Brahms albums in the New York shops have been especially brisk during the past several weeks, at which time our advertising and store promotions in the New York area were particularly heavy."

Command's promotional tie-ins, keyed to the Symphony's tour until May 1 includes the following cities: Toledo, Sandusky and Steubenville, Ohio; Sharon, State College, New Castle, Greensburg and Johnstown, Penna.

Columbia Rushes "All-American" Cast LP

NEW YORK — Columbia Records' original-cast LP of "All-American," the Ray Bolger musical that opened on Broadway last week (19), will be available throughout the country by the end of this week.

The LP was set to be cut last Sunday (25) under the supervision of Goddard Lieberson, the label's president.

In addition to the cast album, the label has already released a Duke Ellington version of the score, "All-American—in Jazz," and next month there will be the release of "Music from 'All-American' Played by the All-Stars," featuring selections from the score as performed by various Columbia artists. These include Andre Kostelanetz, Les Elgart, The Dukes of Dixieland, Lionel Hampton, J. J. Johnson, Bobby Hackett, Marlowe Morris, The Banjo Barons, Art Van Damme and Jerry Murad's Harmonicats.

Writers of the score, Charles Strouse and Lee Adams, are represented on another Columbia cast LP, "Bye Bye Birdie."

ARMADA Convention To Continue Label-Distrib Meets

NEW YORK—The Annual ARMADA Convention, which will be held at the Fountainebleau Hotel, Miami Beach, June 28-30, will again make time available to a limited number of manufacturers for sales meetings with their distributors.

The meetings will be permitted before and after the actual convention, and must be cleared through ARMADA. The hotel has agreed to make space available at special rates for these meetings, it was pointed out, and because of space and time limitations, the meetings will be scheduled on a first-come-first served basis.

Art Talmadge, ARMADA prexy, said that those manufacturers who desire to hold their distributor meetings in conjunction with the convention should contact Jordan Ross, ARMADA executive secretary as quickly as possible.

Exhibit booths will again be made available to suppliers, Talmadge stated. Because of the physical layout of the Fountainebleau a special area has been assigned for the exhibits. To assure maximum attendance at the exhibits a number of special events will be held in the area throughout the convention. Talmadge also pointed out that as exhibit space was limited, those firms desiring to participate should also contact Ross as early as possible to assure their space.

Cole's KC Label Makes Official Bow On Coast

HOLLYWOOD—Coinciding with the celebration of his 25th year in show business, Nat King Cole has announced the official unveiling of his own record company, K. C. Records.

The new label became incorporated last week in California with Cole as president, Jack Gale as vice-president and general manager, headquartering in New York. Dick La Palm is vice-president in charge of national sales and promotion, headquartering in Chicago.

While Cole will continue his long time association with Capitol Records, his company will set up its own distribution apparatus in the near future under La Palm's supervision.

First releases for the company have been pressed and will be ready for distribution this month. They are "Tiger Twist," hit song from the Italian film "Tropico di Notte" recorded by Armando Sciascia's orchestra b/w "Bi-A-Bi-Chuca" and Chuck Dallis singing "Come On, Let's Go," b/w "The Image Of You."

Sue Raney has also been signed by the new company and will record four sides.

Plans of the company include concentration on the development and promotion of new young artists in which campaign Cole, himself, will actively participate. Recordings of all types of pop material, including rock 'n roll, will be released by the new company.

Singer Barbara MacNair, who co-starred with Cole in his successful "Merry World Of Nat King Cole" show last summer, will record a single this week for the K label. The Nite Lites, an instrumental group, have also been inked for a K. C. single.

During the current winter and spring period, Cole continues on his most extensive nightclub tour in his career playing some 15 nighteries before touring his tent show entitled "Sights And Sounds" for seven weeks during the summer straw hat season. "Sights And Sounds," produced by Ike Jones, head of Cole's Kell-Cole Production Company, will kick off July 24 at the Seattle World's Fair.

To further highlight his quarter of a century in show business Nat will return to the screen in Oct., filming "The English Teacher," co-starring Dolores Del Rio in Mexico. Jones will also produce this film in association with Mexican filmaker, Miguel Zacharias.

Cameo 35mm LP's To Retail At $3.98

NEW YORK—Cameo Records has added a 35mm line of "sound" LP's to its catalog which retails at $3.98 in both the stereo and mono versions.

The label's tag for the series is "4 on 35mm." It refers to the technique of recording on four channels on the wide magnetic film.

Four albums bow the series: "If The Big Bands Were Here Today" with the Bernie Lowe Orchestra; "An Exciting Evening At Home" with the International Pop Orchestra; "Soul Of Hawaii"; and "Soul Of Italy."

RIAA Gives Endorsement To Detroit Sound Fair

NEW YORK—Further industry support was given the International Sound Fair last week with the endorsement of the Recording Industry Association of America. The RIAA is the eighth trade association to support the Sound Fair which will be held July 25-29 in Cobo Hall, Detroit.

Henry Brief, RIAA Executive Secretary, said that the RIAA executive committee had adopted a resolution endorsing the objectives and program of the Fair.

"The Committee feels that RIAA has a mutual interest with you in insuring that this enterprise is successful since it could render a significant contribution to the entire industry," Brief told Fair president Coleman Finkel and executive director Hal Cook.

He said RIAA would appraise its full membership of the importance of the Fair and urge full participation and cooperation of members to make the Fair an "outstanding success" that will benefit the entire industry. The Fair has the endorsement of the leading trade organizations. In addition to RIAA, other trade associations which are supporting the Fair are: Society of Record Dealers (SORD); Country Music Association (CMA); Institute of High-Fidelity Manufacturers (IHFM); American Record Manufacturers and Distributors Association (ARMADA); Magnetic Recording Industry Association (MRIA); National Academy of Recording Arts and Science (NARAS) and the National Association of Record Merchandisers (NARM).

In another Fair development, two regional representatives for the event have been announced.

Donald Mackay, formerly with ASCAP and Record Source, Inc., has been named east coast representative, working out of Fair headquarters in New York, and Peter Heine, active in the sound field, has been made coast representative, operating out of Los Angeles and San Francisco. A midwest representative is expected to be named this week.

Pick of the Week

"(THE MAN WHO SHOT) LIBERTY VALANCE" (2:49)

[Famous ASCAP—Bacharach, David]

"TAKE IT LIKE A MAN" (2:20) [Trio BMI—Leiber, Stoller]

GENE PITNEY (Musicor 1020)

Pitney, who just scored big with the pic title tune from "Town Without Pity," can duplicate that success with this one inspired by the up-coming pic, "(The Man Who Shot) Liberty Valance." It's a dramatic western tale that Pitney and the ork-chorus gallop over in top calibre style. Looks like a smasheroo. "Take It Like A Man" is a pulsating, beat-ballad opus with loads of hit potential.

"LOVESICK BLUES" (2:04) [Mills ASCAP—Friend, Mills]

"THE FIRST HURT" (2:17) [Cigma BMI—Cramer]

FLOYD CRAMER (RCA Victor 8013)

Cramer's outstanding 88 stylings are heard to excellent advantage on two more contenders for the hit ranks. One end, altho tagged "Lovesick Blues" (the while-back hit for the late Hank Williams), is a bright twist-a-bouncer. The other, "The First Hurt," is a beautiful, slow paced Cramer original. Both ends have that 'Top 100' look.

"COUNT EVERYTHING" (2:40) [Eden BMI—Otis, Hendricks]

"I KNOW (I LOVE YOU)" (2:45) [Eden BMI—Liggieri, Eden]

TIMI YURO (Liberty 55432)

Timi Yuro's hit collection should soon be adding this pair of newcomers. Titled "Count Everything" and "I Know (I Love You)," two Belford C. Hendricks-backed affairs that the lark waxes with heartfelt emotion. Former's a teen beat cha cha stand while the latter's from the slow, dramatic beat-ballad dept. Top notch duo.

"JANE, JANE, JANE" (2:50) [Vivid—Wilson]

"SCOTCH AND SODA" (2:30) [Beechwood BMI—Guard]

THE KINGSTON TRIO (Capitol 4740)

"Jane, Jane, Jane" is a cinch to follow the Kingston Trio's "Where Have All The Flowers Gone" up the hit road. It's the artists' latest Capitol folk-fare and it's a touching, quick moving opus that they deliver with loads of feeling. "Scotch And Soda" takes an easy-goin' bluesy route.

"WHISKEY IN THE JAR" (2:25) [Westside BMI—Arr: Fisher]

"I'M ON MY WAY" (2:08) . [Westside BMI—Arr: Fisher].

THE HIGHWAYMEN (United Artists 439)

The excellent folk group, having hit with "Michael" and the current follow-up "Cottonfields"—"Gypsy Rover" duo, can make it three-in-a-row with either end here. Both the bouncy Irish tale, "Whiskey In The Jar," and the finger-snappin' rhythm spiritual, "I'm On My Way," have what it takes for chartsville. Take your pick.

"DARLIN' SPORTIN' JENNY" (2:35) [Melody Trails BMI—Gibson, Camp, Warner]

"(THEME FROM LA FAYETTE) SLOWLY, SLOWLY" (2:55) [Cromwell ASCAP—Terry, Hortis, Laurent. Duclos]

THE BROTHERS FOUR (Columbia 42391)

The Brothers Four, whose most recent chart appearance was "Blue Water Line," serve up two more potent contenders for hitdom in this new Columbia stand. One half's a quick moving Irish folk item, tabbed "Darlin' Sportin' Jenny," while the other, "Slowly, Slowly," is the soft and pretty theme from the soon-due French flick, "La Fayette." It's a toss-up for wax honors.

"MOST PEOPLE GET MARRIED" (2:03)

[Famous ASCAP—Shuman, Carr]

"YOU DON'T KNOW ME" (2:20) [Hill & Range BMI—Walker, Arnold]

PATTI PAGE (Mercury 71950)

This release finds Patti in a change-of-pace from her recent country-styled waltz outings, a la her "Go On Home" click. It's a happy-go-lucky rock-a-shuffler, tabbed "Most People Get Married," that the lark and the ork-chorus wax in teen-appealing, coin-catching fashion. Coupler's a throbbing beat-ballad revival of "You Don't Know Me" (culled from her "Go On Home" LP).

THE BLUE DIAMONDS (London 10006)

(B+) "LITTLE SHIP" (2:03) [Ark-La-Tex BMI—Pomus, Shuman] Popular European songsters are hitting with this item in the Benelux countries, and its catchy, calypso-flavored way could get action here. Number is sung in English.

(B) "CARMEN MY LOVE" (2:28) [Brittany BMI—Giant, Shaw, Karten] A Spanish feel to this interesting romantic.

DOROTHY BERRY (Little Star 111)

(B+) "THE GIRL WHO STOPPED THE DUKE OF EARL" (2:29) [Hidle & Pam BMI—Barrett, Add to the rash of replies on the "Duke of Earl" smash a pro-sounding portion from the lark and her combo-gal chorus support. Deck's catchy, R&B-inclined way could mean something.

(B) "I'M DETERMINED (2:29) [Hidle & Pam BMI—Berry] Affable blues-beat to this semi-belt statement from the performer.

THE TEMPLES (Ad Lib 0202)

(B+) "HAVA NAGILA TWIST" (1:52) [Madchen BMI—] The familiar ditty is done with a polished twist beat by the musicians. Date stems from an LP called "Bei Mir Twist Du Schoen."

(B) "TZENA TZENA" (1:59) [Mills ASCAP—] More from the album.

MACHITO ORCH. (Tico 415)

(B) "PARA TI" (2:56) [Radcliffe BMI—Santamaria] Roulette's Latin label is reactivated with a fine mambo arrangement that also makes for good listening.

(B) "JUANITO" (2:59) [Patricia BMI—Grillo] Lark and chorus work in another mambo date.

THE ROCKY FELLERS (Parkway 836)

(B+) "LONG TALL SALLY" (2:09) [Venice BMI—Johnson, Penniman, Blackwell] Old Little Richard hit gets a good stomp going-over from the vocalists and their combo backdrop. Fine new teen life for the ditty.

(B) "SOUTH PACIFIC TWIST" (2:22) [Kalmann ASCAP—Mann, Appel] Twistin' novelty.

EDDIE MARTIN (Mercury 71909)

(B) "I FOUND A MILLION DOLLAR BABY" (1:59) [Remick ASCAP—Warren, Dixon, Rose] Diskery's new singing talent opens shop with an agreeable rock-a-cha reading of the old favorite. Likeable sound that should appeal to a large market.

(B) "KEEP AWAY FROM JULIE" (2:35) [Howe—Lee ASCAP—Altman, Meshel] A pleasing Latinish romantic.

BILL COURTNEY (Versatile 109)

(B) "ONE DOLLAR DOWN" (2:30) [R.F.D. ASCAP — Glaser, Nathanson, Antel] Courtney warbles a folkish blueser against a flute-included combo setting.

(C+) "TWO TIMIN' LOVER" (2:05) [R.F.D. ASCAP—Glaser, Solomon, Glaser] Bouncy teen-market item.

THE EXOTICS (Coral 62310)

(B+) "MANPOWER" (2:18) [Famous ASCAP — Bacharach, Hilliard] There's a feel of "100 Pounds Of Clay" in this theme that notes that while manpower can do wonders in a material way, it takes more than that to love and be loved. R&B-flavored team's lead does a fine reading.

(B) "FORTUNE HUNTER" (3:04) [Emorey BMI—Gardner, Carroll] Emotional softie about a gal who's been untrue.

LITTLE EDDIE (Liberty 55433)

(B+) "LOOK NO MORE" (2:26) [Aldon BMI—Lesslie, Mann, Koppelman, Rubin] In his bow for Liberty, the songster does a touching teen-market vocal on an appealing, inspirational-type romantic. The Johnny Mann Singers and a full ork offer very attractive backdrop sounds. Could happen with enough exposure.

(B) "MINE ALL MINE" (1:58) [Bourne ASCAP—Tobias, Ballard] Happy spiritual-flavored stuff.

TONY WILLIAMS (Reprise 20,067)

(B+) "THAT'S MORE LIKE IT" (2:23) [Symbol BMI—Collins] Former lead for The Platters is heard in a generally striking light-beat blues format. Instrumental work includes a funky harmonica sound. Could grab some attention.

(B) "COME ALONG NOW" (2:22) [Symbol BMI—Williams] Understanding survey of a semi-dramatic romantic.

JIMMIE McCRACKLIN (Kent 369)

(B+) "I GOT EYES FOR YOU" (2:10) [Modern BMI — McCracklin] Here's a top-drawer outing on Kent for the vet blues belter in the tradition-oriented r&b tradition. Some pulsating harmonica work on the side adds an effective touch to the professional McCracklin delivery. Wax could pull plenty of loot.

(B+) "I'M GONNA TELL YOUR MOTHER" (2:35) [Modern BMI—McCracklin] This one's another sales-laden side for McCracklin. This time the self-penned etching has a lively geared-for-dancing beat. Jockeys should really dig the wax.

CHICK CARBO (Instant 3245)

(B+) "IN THE NIGHT" (2:20) [Kel BMI—Neville] Chick Carbo's powerful wide-range voice is perfectly showcased on this shuffle-beat, slow-paced opus. The chanter's sincere delivery coupled with a first-class lyric should help this listenable wax pull some coin.

(B+) "RUN HENRY" (2:14) [Kel BMI—Neville] Here the songster belts out a very nice rockin' affair with a catchy folk-flavored lyric about John Henry. Tune has enough potential to make some noise in the pop dept.

LARRY FRAZIER (Impulse 205)

(B) "AFTER SIX" (2:38) [Curtom BMI—Frazier, Mayfield] Larry Frazier and crew come up with an easy listening jazz mood piece on a sweet slow-tempo blues line. Professional treatment throughout gives the side a good chance of some airplay.

(B) "BEFORE SIX" (2:40) [Curtom BMI—Frazier, Mayfield] Here Frazier takes off a potent rising beat original opus with enough good stuff on the piece to garner some jockey attention.

"I'LL TRUST IN YOU" (2:44) [Fast BMI—Robinson, Williams, Dunn]
GLADYS KNIGHT & THE PIPS (Fury 1064)

Gladys Knight & the Pips, who are still cashing in with their big pop-r&b outing, "Letter Full Of Tears," can do more of the same with this new Fury session. Side, tabbed "Operator," is a heartfelt rock-a-cha-cha opus that the artists put across with telling effect. The beat-ballad-with-strings coupler, "I'll Trust In You," also has a healthy chart outlook.

"ANY DAY NOW" (3:20) [Plan Two ASCAP—Bacharach, Hilliard]
"THE PROPHET" (3:28) [Lloyd & Logan—Dixon, McCoy]
CHUCK JACKSON (Wand 122)

Side to watch is "Any Day Now (My Wild Beautiful Bird)," a captivating romancer that Chuck spins in emotion-packed fashion. Stellar cha cha beat, choral-ork arrangement by Bert Keyes. "The Prophet" makes for a lovely, soft cha cha-ballad companion piece.

"TANGLEFOOT" (2:42) [Piccadilly BMI—Drake, Diamond]
"CHARLIE'S PROGRESS" (3:13) [Piccadilly BMI—Drake, Diamond]
CHARLIE DRAKE (United Artists 437)

Drake, who did bang-up sales business with his UA bow, "My Boomerang Won't Come Back," can easily repeat with this one. It's a pull-out-all-the-stops twist'er, dubbed "Tanglefoot," that oughta zoom up the hit lists in no time flat. Sensational choral-ork support from Johnnie Spence outfit. Humor jocks'll go wild for the delightful sounds on the "Charlie's Progress" talk bit. Watch 'em both.

"I'LL TAKE YOU HOME" (2:30)
[Sunflower, Annie, Earl ASCAP—Hugo, Luigi, Weiss]
THE CORSAIRS & JAY "BIRD" UZZELL (Chess 1818)

The Corsairs, with Jay "Bird" Uzzell in the featured slot once again, come thru with a potent follow-up to their current Chess-distributed Tuff slice, "Smokey Places." It's a haunting, slow cha cha beat romancer, tabbed "I'll Take You Home," that sports an attention-getting percussive bits. The undercut's a dandy from the pounding rock-a-cha-cha school.

"COUNT EVERY STAR" (2:32) [George Paxton ASCAP—Gallop]
"LAND OF STARS" (2:01) [Tybee BMI—Weiss, Harmon]
LINDA SCOTT (Canadian-American 133)

The thrush can make a chart stand with either end, or both, of this pairing cut during her hit stay with the diskery. It's an oldie-newie combination that finds Miss Scott in top ballad form. The evergreen, "Count Every Star," takes a beat-ballad route while the newcomer, "Land Of Stars," is from the lilting-ballad category. Two lovely, Hutch Davie-string-filled showcases.

"I'M GONNA SIT IN TILL YOU GIVE IN" (2:12)
[Lion BMI—Clark, King]
"YOU ASK ME" (2:08) [Beale St. BMI—Rae, Knight, Davis, King]
B. B. KING (ABC-Paramount 10316)

Vet blues performer B. B. King, who's currently making territorial r&b-pop noise with his Kent waxing of "Gonna Miss You Around Here," can have a real sales-sizzler with his ABC bow, "I'm Gonna Sit In Till You Give In." It's a potent rock-a-twist'er that makes romantic use of today's news. Solid support from Maxwell Davis. Backing's a winning beat-ballad hip-swinger that also rates attention.

Pick of the Week
Newcomers

In an effort to call D.J. attention to Pick records by "Newcomers" (artists never before on the Top 100) the editorial staff of Cash Box will list such records under this special heading.

"I LOVE YOU" (2:30) [Chriss BMI—Ewing, Newson]
"DREAMS" (2:15) [Chriss BMI—Ewing, Newson]
THE VOLUMES (Chex 1002)

This red-hot Chex master, out of Detroit, has been picked up for national distribution by the Jay-Gee outfit. It's a quick-beat delighter, dubbed "I Love You," that could prove to be the 'stepping stone' for the Volumes. There's ultra-commercial gimmicks galore here. Group switches to a beat-ballad pace for the "Dreams" stand.

JIMMY BELL (Hickory 1168)

(B) "WHISTLING ABOUT YOU" (2:36) [Fuqua BMI—Kanar, Gave] Bouncy, good-natured blues-styled go.

PIERRE LE BON (Amy 838)

(B) "SH-BOOM" (2:15) [Hill & Range BMI—Keyes, Feaster, Feaster, McRae, Edwards] Cute French angle for the early rock hit. Artist, with a French dialect, warbles against a cheerful combo-femme chorus sound.

(B) "CESARINA" (2:52) [Ark-La-Tex BMI—Pomus, Shuman] Sprightly continental-sounding tale of a lost-love.

ELLA FITZGERALD (Verve 10248)

(B) "WHAT IS THIS THING CALLED LOVE" (2:01) [Harms ASCAP—Porter] From the performer's first series of "song books," devoted to Cole Porter songs, label has culled a swingin' version of one of Porter's big ones.

(B) "CALL ME DARLING" (2:30) [Joy ASCAP—Dick, Reisfeld, Fryberg, Marbot] The cozy Ella here. Fine for those after-hours spins.

DAN BROCK (Colonial 1031)

CORNELL BLAKEYLY (Rich 1747)

(B+) "YOU BROKE MY HEART" (2:35) [Jobete BMI—Holland, Bateman, Gorman] Vocalist hands-in a strong performance on the rhythmic blues plaintive. Gal chorus and combo provide a good, busy-beat backdrop. The Mercury label handles the diskery.

(B) "DON'T DO IT" (2:09) [Jobete BMI — Stevenson] Male songsters back the artist in this upbeat pose.

JUDY & JO (Capitol 4731)

(B+) "TATTLETALE JOE" (2:20) [Beechwood BMI—Ross, Wolfe] Gal decides she's going to play her former boyfriend's own game in this busy upbeat rocker from the lark duo. Catchy teen color.

QUARTETTE TRES BIEN (Gaslight 402)

JOHNNY & THE HURRICANES (Bigtop 3103)

(B+) "SALVATION" (2:12) [Vicki BMI — King, Mack, Morris] Artists display their winning instrumental ways as they up-date the famed religious piece, "Bringing In The Sheaves," for today's teen market. It's an infectious rock-a-cha-cha-like performance that rates close attention.

(B) "MISERLOU" (2:14) [Colonial BMI—Tauber, Wise, Rubanis, Leeds] There's lots of twist-ability to this re-fitting of the Jan August classic.

THE HALOS (Trans-Atlas 690)

(B+) "VILLAGE OF LOVE" (1:56) [Trianon BMI — Brown, Mayer] The Halos, who clicked a short-while-back with "Nag," come thru with a fabulous cover of UA's Nathaniel Mayer - Fortune master. Solid stomp-a-twist performance that could be a big winner in the final sales sweepstakes.

(B) "MEAN OLD WORLD" (2:26) [Selma BMI — Crier] Backing's a fetching rock-a-shuffle entry.

THE RIVINGTONS (Liberty 55427)

(B+) "PAPA - OOM - MOW - MOW" (2:25) [Beechwood BMI — Frazier, White, Wilson, Jr., Harris] As the title indicates, this is a whacky, chant-featured outing by the blues-oriented vocalists. This uninhibited novelty affair could break out.

(B) "DEEP WATER" (3:01) [Beechwood BMI — Frazier, White, Wilson, Jr., Harris] Boys settle down to a tearful take.

JOE RENE & ORK (Epic 9510)

(B+) "AL DI LA" (2:20) [M. Witmark & Sons ASCAP—Drake, Donida] Joe Rene's instrumentalists bow on Epic with a superb reading of the oft-cut pic theme from "Rome Adventure." It's a beat-ballad-with-triplets beaut, a la "Theme From A Summer Place," that could step way out in chartsville.

(B) "TRAV'LIN" (2:28) [Ben Bloom BMI—Brown, Weiricu] This half's an easy-goin' string-filled lovely. Jocks'll dig both stands.

THE FASCINATORS (Trans-Atlas 688)

(B+) "YOU'RE TO BLAME" (2:04) [Selma BMI — Craft] The Fascinators could have a first-time-out smash on the Trans-Atlas label as they shuffle-rock their way thru an all-instrumental outing. Side's loaded with big hit potential.

LITTLE WILLIE JOHN (King 5628)

(B+) "MISTER GLENN" (2:49) [Lois BMI — Toombs, King] The latest in the disk tributes to our man in orbit is this gimmick-filled rock-a-cha-cha delighter. Opening segment is an actual description of the flight. Side has that hit sound. Keep close tabs on it.

(B+) "UNTIL AGAIN MY LOVE" [Pandora BMI—Sandler, Reid, Kosloff] This Latin-beat romancer is also loaded with the chart goods. Could be a big double-decker for Little Willie.

THE ALLISONS (Smash 1749)

(B+) "LESSONS IN LOVE" (2:20) [Duchess BMI — Soloway, Wolfe] The English teen favorites, who made noise here on the London label with "Are You Sure," could come through with this very Americanized, Everly Bros.-type speedy-beat romantic. Strong sound.

BOB CONRAD (Warner Bros. 5267)

(B+) "KEEP IT UP" (2:25) [Sherman & DeVorzon BMI—DeVorzon, Chandler] Conrad, star of TV's "Hawaiian Eye," could be a featured chart artist with this distinctive semi-belt stint about a gal who's a runaround. A trumpet is part of the strong rock setting.

(B) "NOAH'S ARK" (2:33) [Sherman & DeVorzon BMI—DeVorzon, Burnette] A milder, but colorful teen-slanted sound for catchy opus about the famed Biblical story.

FOUR COINS (Jubilee 5419)

(B+) "COME A LITTLE BIT CLOSER" (2:18) [Valley & Trio BMI—Leiber, Stoller] Kids are sure to be interested in this original-sounding upbeat romancer. Vet songsters warble the strong, folkish ditty against an exciting, percussions-led rock backdrop. This Leiber & Stoller production can make it.

FRANK SINATRA (Capitol 4729)

(B+) "FIVE MINUTES MORE" (2:34) [Melrose ASCAP — Cahn, Styne] Fine Sinatra swing attitude on the oldie. Track, from the performer's "Come Swing With Me" LP, has ork backing by Billy May. It's got solid air-time potential.

(B) "I'LL REMEMBER APRIL" (2:46) [Leeds ASCAP—Raye, dePaul, Johnston] The lovely evergreen gets the Sinatra ballad sound. Source is another album, "Point Of No Return."

THE BLUES BUSTERS (New Orleans 727)

(B+) "THERE'S ALWAYS SUNSHINE" (2:25) [Melder BMI — Campbell, Jones] The new label, based in Chicago, was formed by singer Joe Jones, and it could do important business first time out with this contagious medium-beat stand by the song crew. Watch it.

(B) "DONNA" (2:12) [Melder BMI—Campbell, Jones] Boys have a catchy sound here. Tune is not the late Ritchie Valens success.

HUGO MONTENEGRO ORCH. (Time 1048)

(B+) "TARANTELLA TWIST" (2:03) [Brent BMI] This is joyous cut that has been edited down from its LP source, "Montenegro In Italy" (titled on the LP as "Ah Marie —Tarantella"). Throughout the full ork display, voices are heard in good cheer. Makes for refreshing spins.

JEFF GORDON (Decca 31375)

(B) "STRANGE" (2:04) [Earl & Lloyd & Logan BMI—Lloyd, Logan] Infectious gospel-type belting here.

LORD SUPERIOR (Cab 2012)

(B) "CALYPSO TWIST" (2:45) [J&H BMI—] The performer offers funny lyrics while the full ork does a slick calypso-twist stint, which also includes a jazzy clarinet. There's an engaging way about this offering from the N.Y.-based diskery.

THE LA RELLS (Liberty 55430)

BILLY ENGLISH (Gizmo 004)

VINCE EVERETT (ABC-Paramount 10313)

Radio Active Chart–How It Operates

In an effort to keep all facets of the record industry informed about activity in every area of the business, Cash Box last month introduced a new feature called "The Radio Active Chart," a feature designed to indicate which new records key radio stations in every important market throughout the country have added to their play list during the preceding week.

In order to fully appreciate the weekly findings of the "Radio Active" survey, we will offer an explanation column for the next few weeks so that our readers can clearly understand how the results are derived and the method used in reporting them.

The list is, in essence, a simple compilation based on information submitted to us each week by program directors of key radio stations in every important record market throughout the country.

Every week, each key station's program director informs us of all the new records his station is planning to play during the coming week. Each station may list as many new titles as it is adding each week to its play list, whether it be just two or forty titles. Each station is given equal weight in the survey and the results are reported in percentages.

For example, if half of the stations reporting in one week's survey list a hypothetical song "I Have Dreamed" by John Smith, then the song will be given 50% in the column titled "% OF STATION ADDING TITLES TO PROG. SCHED. THIS WEEK." If Smith happens to be the hottest artist in the country and one might expect him to have 100% acceptance in the first week, some consideration must be given to the fact that a record sent to stations from the east coast takes a bit longer to reach stations on the west coast. And a station reporting to us may not yet have received his pressing of the Smith record when he submitted his report to us. In this case, however, chances are the following week's report will make up for the time lag. If in the second week another 40% of the stations list the Smith record (a second listing of the Smith record by a station which listed him in the preceding week is not used again) then Smith's disk is listed in the 40% spot. To keep the reader aware of the record's action during preceding weeks, in the column on the right, "TOTAL % OF STATION TO HAVE ADDED TITLES TO PROG. SCHED. TO DATE," Smith's record will show a 90% figure—50% from last week and 40% from this week, making the 90% total. Some records may add a few stations at a time over a period of months. This action will be indicated as the record progresses.

For a song to be listed in large type on the chart, it must receive more than ten percent acceptance in a one week period. A song will be carried in this section as long as it adds 10% or more of the stations each week.

Other titles showing less than 10% acceptance but more than 5% in any week will be listed in smaller type at the foot of the chart and will be posted there as long as they fall into this bracket. Should they exceed 10% in the next week, they will then be posted in the bold face section and their previous week's percentage will be noted on the right. A song will fall off the chart as soon as it gets less than 5% of the stations in the new week's tally.

All stations used are key radio stations and each area in the survey is a key record market. The list of stations were compiled with the cooperation of a large number of important regional and national promotion men throughout the country who listed three stations in order of strength in each of the markets they considered most important to pop records. In almost every case, the leading station in an area agreed to offer its assistance in the "Radio Active" survey. Every major record market is covered in our survey.

RADIO ACTIVE CHART

A survey of **key** *radio stations in all important markets throughout the country to determine by percentage of those reporting which releases are being added to station play lists this week for the first time and also the degree of concentration combining previous reports. Percentage figures on left indicate how many of the stations reporting this week have added the following titles to their play list for the first time. Percentage figures on right include total from left plus the percentage title received in prior week or weeks.*

Hayley Mills

In just two and a half years Hayley Mills has earned a list of screen credits that would make any professional proud. Last year she scored with "Let's Get Together" and now with her current Vista wax of "Johnny Jingo" acquiring hit proportions (it went to #62 on this week's Top 100) she is opening another door to what promises to be a long and eventful show business career.

Hayley was born April 18, 1946 in London (christened Hayley Catherine Rose Vivian Mills), the second daughter of the great British actor John Mills.

At the age of 12, although having never expressed any desire to be an actress, she accepted producer J. Lee-Thompson's invitation for a starring role in the film "Tiger Bay," which later won for her the Berlin Festival's Silver Bear award and international critical acclaim. Then followed the title role in Walt Disney's "Pollyanna" and recently as the conspiring twin sisters in Disney's "The Parent Trap." Hayley has just completed filming "The Castaways" with Maurice Chevalier and George Sanders.

Ike & Tina Turner

The current deck of "Tra La La La La" (#74 in this week's Top 100) looms as another big hit for Ike & Tina Turner who recently scored with "Poor Fool."

It all started when Tina, the featured vocalist with Ike Turner and his Kings of Rhythm for the past three years, cut a demo for one of Ike's tunes—"A Fool In Love." When the scheduled artist didn't appear at the session Juggy Murray of Sue Records decided to cut Tina instead. It proved to be a wise move for everyone concerned as the song rocketed the duo to success.

Ike, 27, and Tina, 20, reside in East St. Louis, Illinois, working that area in personal appearances. Ike is a prolific songwriter, numbering among his compositions "Rocket 88," a rhythm & blues hit several years ago. He is featured on guitar with his band.

Cash Box PLATTER SPINNER PATTER

Proof of the important instant value of radio was dramatically pointed up March 2nd. On that Friday evening all but one car of the Northern Pacific passenger train, the North Coast Limited, left the tracks six miles north of Athol. The diesel units plunged into Granite lake carrying the fireman and engineer to their deaths. Six of the cars were overturned. About that number left the tracks but remained upright. Eighty-four people were injured, six of them critically. By the time reporters reached the area at one in the morning, all stations except KNEW-Spokane were off the air. Thus, it was up to reporters **Woodward** and **Hough** to tell the story not only to the inland empire but to interested stations across the country, from New York to Seattle, who called for word of what could have been a major tragedy. Periodic reports were made from the scene, then from area hospitals. By seven in the morning of March 3rd the story was told with names of the injured and the dead crewmen released. Al **Huber**, public relations manager for Sacred Heart Hospital, where most of the accident victims were taken, called KNEW with thanks for its exclusive coverage. Said Huber, "We listened to you all night. From your reports we geared our disaster procedure and were ready when the injured arrived."

St. Patrick's day will never be the same again. **Ron Raven**, popular personality on WLOB Portland, was told by station officials that no Irish music would be played on March 17, St. Patty's day. Raven went into the control room at noon and locked the door. He then proceeded to play his favorite Irish tune, "My Wild Irish Rose" for five hours and forty-five minutes. The response from the listeners was overwhelming with better than 5000 calls flooding the station's switchboards acclaiming his feat. The comments ranged from "Don't fire him . . . feed him," to "Let him stay after he has had psychiatric treatment." Some listeners even turned poet and composed "Raven poems." After the binge was over Raven commented, "I always wanted to take over a radio station. . . . Maybe next time I'll even sell the tower."

Through a KDKA-Pittsburgh Radio handwriting promotion, listeners have learned a lot about themselves and the station has learned anew how responsive its audience is. The results were staggering when KDKA Radio personalities recently offered a free character analysis by Andre, noted graphologist of Dayton, O., to anyone sending a 25-word handwriting sample and a stamped return envelope. The mail count had reached 24,325 in 12 days when the volume made it necessary to discontinue announcements, according to promotion manager **June L. Buzzelli.**

WINS-New York recently announced that the winner of the station's "Income Tax" contest will be chosen by **Rudy Vallee**, star of the Broadway show, "How To Succeed In Business Without Really Trying." Vallee will draw the winning card from a drum containing over 10,000 cards which were submitted to WINS.

The station will arrange to have the winner's 1961 income tax return made out—and if the government is owed any money, WINS will pay that amount up to $500. If a refund is deserved, WINS will match that up to $500.

WWDC-Washington, D. C., has been presented with an "Award of Merit" by the American Optometric Association, for its "consistent cooperation, achievement and devotion in the interests of good vision," and for its contributions to the "public welfare with its efforts to inform and educate." Presentation was made by Dr. John Greenwood, president of the Optometric Society of the District of Columbia, to Ben Strouse, topper of WWDC. Other officials of the Optometric Society took part in the presentation ceremonies.

Over $3000 worth of free advertising time will be given to 25 winning salesmen in WERE-Cleveland's present "Hats off to Salesmen" contest. The contest began March 19, and will continue through Wednesday, March 28 when all the winners' names will have been announced. The audience is asked to mail a postcard to "The WERE Salesman." On the postcard is to be listed the name and address of a salesman, what he or she sells, and where it is sold. Entries may be male or female, and a person may register him or herself. Each winning salesman will receive five free spots on WERE to sell his or her product during the month of April. Part of each spot will consist of the salesmen identifying themselves and their products.

Direct English broadcasts of Radio Moscow recently began over WIP-Philadelphia. Excerpts of the Russian interpretation of American news developments are broadcast by WIP every hour on the hour, daily from 7 A.M. through 11 P.M. The station tapes the Moscow broadcast direct from the short wave band of 71.50 megacycles during their broadcast time, which is between 7 P.M. and 1 A.M. our time, for selection of excerpts to be broadcast the next day during WIP newscasts.

Following a week's stand, in which he starred in "Send Me No Flowers," at the Sombrero Playhouse in Phoenix, KHJ-Hollywood jockey **Robert Q. Lewis** has returned to spinning records at the station.

Dave Steere exits his deejay spot on KWK-St. Louis to assume the operations director's chair on KXLY-Spokane. . . . **Ron Mendler**, formerly program director on WBVL-Barbourville, Kentucky, named assistant manager of WNTT-Tazewell, Tennessee. . . . **Okay Miller** now spinning 'em on WEEZ-Chester, Pennsylvania as well as hosting the WNEP-TV-Scranton Saturday night Bandstand show. . . . **Steve Brooks** enters the deejay ranks with a program on WHIH-Norfolk. . . . ALBUM REVIEWS

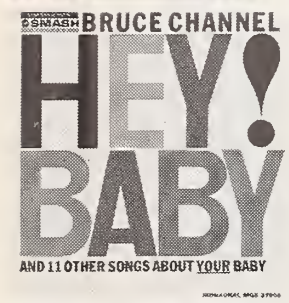
POPULAR PICKS OF THE WEEK

"BOBBY DARIN SINGS RAY CHARLES"—Atco 33 140
Bobby Darin successfully gets in a finger-popping groove with this lively session of tunes associated with Ray Charles. The chanter does not attempt to imitate or emulate Charles' potent folk-jazz style but offers a melodic musical tribute to Ray's forceful approach. Darin kicks things off with "What'd I Say," his current chart-rider and dishes up eleven other items with superb range and pitch. Some highlights of this top-notch outing are "I Got A Woman," "My Bonnie" and "Ain't That Love." Set looms as a sure-fire hit.



"HEY! BABY"—Bruce Channel—Smash MGS 27008
Bruce Channell cashes in on the success on his current number one smash "Hey! Baby," to name this premiere album effort. The chanter's distinctive vocal style coupled with some superior arrangements of pop tunes makes for an enjoyable sales-laden, power-packed session. In addition to the title tune the songster delivers first-class readings of "Chantilly Lace," "Love Me," and "Dream Girl." Disk should score heavily.

"ELLA SWINGS BRIGHTLY WITH NELSON"—Ella Fitzgerald, Nelson Riddle—Verve V-4054
Lyrics sung by Ella with some swingin' backing by Nelson Riddle is an almost unbeatable alliance of words and music. These two musical greats combine their talents in a bevy of tunes penned by such notables as Goodman, Ellington, and Kern. All twelve tracks are first-rate and should send this LP straight to chartdom. Included on this enjoyable set are "Love Me Or Leave Me," "I Hear Music," and "The Gentleman Is A Dope."

"LET'S GET TOGETHER WITH HAYLEY MILLS"—Vista BV-3311
Hayley Mills, an engaging youngster with a double-barreled talent, uses her first hit "Let's Get Together" as a title tune for her first LP and surrounds it with a selection of novelty tunes aptly suited to her infectious teen-age delivery. With a background of tinkling pianos and ragtime rhythms she sings "Jeepers Creepers," "Sentimental Sunday," and "Cobbler Cobbler." Included on disk is her current chart hit "Johnny Jingo" which should help the album to step out quickly in the sales department.

"COME ON IN"—Santo And Johnny—Canadian-American CALP 1006
Santo and Johnny unleash their potent instrumental talents full-blast on interesting flock of Hutch Davie-arranged items on this, their fourth LP. The boys best-selling form carries them in good stead as they render the plantive strains of "Spanish Harlem," their recently-released single effort. Other good tracks here are "Brazil," "Goodnight Irene" and "Hop Scotch." Disk should zoom to the upper reaches of chartdom.

"STRANGER ON THE SHORE"—Mr. Acker Bilk—Atco 33 129
British clarinetist Mr. Acker Bilk cashes on the success of his hit single "Stranger On The Shore" to tag this initial album venture. Bilk has assembled a wide variety of tunes for the session including originals, jazz ballads and sturdies. With the pleasant backing of the Leon Young String Chorales he offers remarkably sweet renditions of "Sentimental Journey," "Greensleeves" and "Mean To Me." Disk has all the necessary built-in sales ingredients to score heavily in the coin department.

"WALK ON THE WILD SIDE"—Original Soundtrack—Elmer Bernstein—Choreo A 4ST
Ace flick composer Elmer Bernstein has come up with a potent and compelling score for the currently-in-release Laurence Harvey starrer. The music perfectly captures the turbulent, seamy life of New Orleans during the Depression. Bernstein's score keeps pace with the film with delicate ballads, uptempo hard-driving pieces and a couple of first-rate jazz bands. Highlights of the score are "Rejected," "Oliver" and "Iron Rings." Disk has loads of sales potential.

"SWINGING ALL THE WAY WITH FRANCES FAYE"—Verve V 6 8434
With a straightforward honest, distinctive approach Frances Faye kicks off top-drawer Verve package by rendering the Duke Ellington-penned "Do Nothin' Till You Hear From Me" in the crystal clear manner that has long been her hallmark. The lark is in superior form as she offers eleven other Marty Paich-arranged sturdies with swingin' enthusiasm and humor. Some highly enjoyable bands here are "So In Love," "More Than You Know," and "That's All."

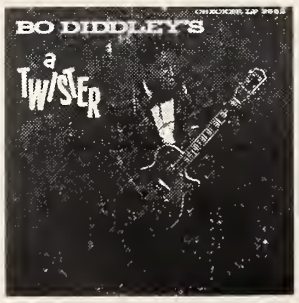
"BLACK TIGHTS"—Original Soundtrack—RCA Victor International FSO-3
This quartet of ballets, taken from the original soundtrack, are gay, light-hearted, and unmistakably French. As in the film, all are introduced by Maurice Chevalier who sets the mood for each performance with his witty and incisive commentary. The package of four includes "The Diamond Cruncher," "The Merry Mourning," "Carmen," and "Cyrano De Bergerac." The music is rich and warm and should provide fine listening for devotees of classical music and the ballet.

"HAPPY SOUNDS"—Pearl Bailey, Louis Bellson—Roulette R 25167
Pearl Bailey (Mrs. Louis Bellson) teams up with her drummer-orkster husband for a delightful, swingin' session of beautifully-essayed evergreens. The first side has the thrush singing tunes like "That Certain Feeling" and "Let There Be Love" with her distinctive wide-range lyrical voice. The second six bands showcase the talents of Bellson rendering such popular items as "Sophisticated Lady" and "A Foggy Day." Although top kudos go to Pearl, the set is completely enjoyable throughout.

"HEARTY AND HELLISH"—Clancy Brothers And Tommy Makem—Columbia CL 1771
The infectious good spirits of the Clancy Brothers and Tommy Makem carry them in good stead on this listenable disk of Gaelic folk item recorded live at the Gate Of Horn in Chicago. There are a wide variety of tunes including a group of tradition-oriented drinking songs, a clever satire of England called "God Bless England," and a yock-filled Irish-Jewish song tagged "Mr. Moses Ri-Tooral-I-Ay." The appreciative applause of crowd gives the session a warm, spontaneous flavor.

"SATAN IN HIGH HEELS"—Original Soundtrack—Mundell Lowe—Charlie Parker PLP 406
Mundell Lowe has composed a vibrant, effective score on a mostly jazz-based theme for the new Meg Myles-Sabrina starrer. The flick is an off-beat low-budget affair dealing with narcotics and crime and the Lowe music beautifully captures the flavor of the movie. Some listenable bands here are "The Lost And The Lonely," "Lake In The Woods" and "From Mundy On." A top-notch cover should help the LP pull coin when the film goes into general release.

"HE'S GOT THE WHOLE WORLD IN HIS HANDS"—Marian Anderson—RCA Victor LM 2592
Marian Anderson tags this first-rate disk of spirituals after the Laurie London hit of a few years ago and offer proof positive of her superior, high-range vocal talents on eighteen other inspirational tracks. With the professional piano accompaniment of Franz Rupp, the beautiful Anderson voice is showcased on "Sometimes I Feel Like A Motherless Child," "Scandalize My Name," and "Behold The Star." LP is sure to make some noise.



"BO DIDDLEY'S A TWISTER"—Checker LP 2982
The fast-moving, hard-rockin' Bo Diddley sound comes on strong on this jumpin' session of the chanter's past hits and noisemakers essayed with a potent twistin' beat. There are plenty of terpsichorean delights as Diddley dishes up high-spirited arrangements of "She's Alright," "Doin' The Jaguar," and his biggie "Bo Diddley" tagged after himself. LP should score with all the songster's many fans.

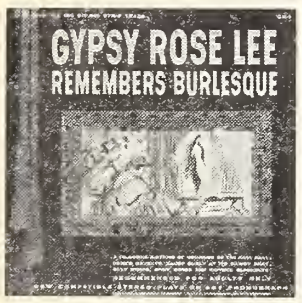
Cash Box ALBUM REVIEWS

"CHUCK BERRY TWIST"—Chess LP 1465
Chuck Berry jumps on the twist bandwagon full-blast with the album of his previous hits and noisemakers that lend themselves to a twistin' beat. There's plenty of solid rockin' sounds as the chanter offers "Maybelline," "Roll Over Beethoven" and "Reelin' And Rockin'" while accompanying himself with a spirited electric guitar. Most of these Berry-penned items are several years old but session should still pick plenty of loot.

"COUNTRY AND WESTERN GOLDEN GREATS"—Rusty Draper—Mercury SR 60657
Country fans should come out in droves for this spinnable, listenable package which highlights Rusty Draper belting out a flock of best-sellers of other artists. The chanter is in his expected good voice as he renders some impressive arrangements of "Please Help Me, I'm Falling," "When Two Worlds Collide" and "Signed Sealed And Delivered" with verve and polish. Top-flight country wax.

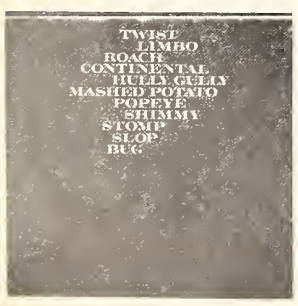
"JIMMY McCRACKLIN SINGS"—Chess LP 1464
The versatile r&b talents of Jimmy McCracklin are swingingly showcased on this spinnable session of a dozen popular self-penned tunes. The chanter's delivery is sincere and feelingful with enough listening pleasure to attract a wide variety of record buyers. Disk includes the songster's past smash of "The Walk," "I Know," and "I Am The Blame." Session's contagious tempo coupled with some hot instrumental bridges rank it as a top-rung r&b-blues disk.



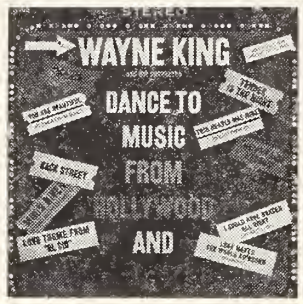
"GYPSY ROSE LEE REMEMBERS BURLESQUE"—Stereodditities CG 1
Gypsy Rose Lee re-creates all the excitement and color of her by-gone burlesque days on this original musical revue written by Eli Basse with music composed by Bobby Kroll. Disk consists of a group of funny blackouts and typical vaudeville routines. There's plenty of nostalgic memories here and Gypsy and crew go through their paces with a rib-tickling professional delivery. Definitely not a kiddie wax, a great deal of the material is pleasantly blue, adults should find many yocks to be had here.

"JOSE MELIS PLAYS HIS TV FAVORITES"—Mercury SR 60683
The 88'er, in a subtle blending of pop tunes done in classic style, gives proof of his sensitive feeling for both types of music as he plays the sturdies along with some original compositions. Among the standards, his arrangements of "I'll Remember April," "The Breeze And I," and "You Stepped Out Of A Dream" are indicative of his keyboard artistry. LP has interesting stereo effects. Melis' quality performance makes the set excellent programming fare.

"LET YOURSELF GO"—Pied Pipers, Jerry Gray—Warner Brothers WS1446
On this very enjoyable set from Warner Brothers the Pied Pipers team up with Jerry Gray's ork for an admirable amalgamation of band and voices. Gray's novelty arrangements provide superb accompaniment for the smooth vocals of the group. This excellent blending is showcased in a session of evergreens which includes "Oh, What A Beautiful Morning," "No Moon At All," "While We're Young," and "Donkey Serenade." Set's free-flowing swinging sounds should bring out spinners in force.



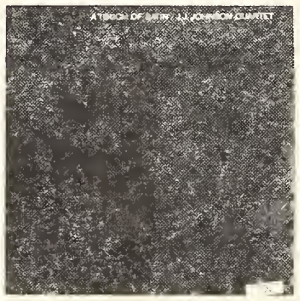
"GEORGE HUDSON PRESENTS DANCE TIME"—Capitol ST 1697
Teens should really dig this top-notch package which includes bands of the twist, the limbo, the hully gully and other current dance fads. Spinner George Hudson has assembled this geared-for-dancing disk with a sales eye aimed at the younger set. Some danceable selections here are "Hully Gully Firehouse," "Do The Bug," and "Come On An' Slop."



"DANCE TO MUSIC FROM HOLLYWOOD AND BROADWAY"—Wayne King—Decca DL 74232
The currently popular melodies of the flicks and the Broadway stage are given tempos designed for dancing in this set by Wayne King. Launching the session with "Moon River" the band follows it up with some very danceable arrangements of "Tender Is The Night," "Maria," and "Fanny." Orkster's well-known sophisticated style is present throughout disk and it should find favor with the legion of his admirers.

JAZZ PICKS OF THE WEEK

"IT'S ABOUT TIME"—Joe Morello—RCA Victor LPM-2486
Joe Morello, who is the star drummer with the Dave Brubeck Quartet, spreads his wings for his premiere album outing on this session of medium and ballad tempo pieces from Victor. Phil Woods, who is featured as sax soloist, and Manny Albam have come up with some imaginative arrangements for the versatile Morello talents. Gary Burton on vibes rounds out the group. Every track here of both standard and original selections has time in the title. Morello shines as he reads "Time After Time," "Just In Time" and "Fatha Time."



"A TOUCH OF SATIN"—J. J. Johnson Quartet—Columbia CL 1737
J. J. Johnson and his quartet are in their usual first-rate form for this enjoyable session of warmly-essayed newies and standards. The trombonist leads his boys through their paces with his authoritative and highly polished jazz style. Best listening bets here are "Flat Back," "Gigi" and a rousing rendition of "When The Saints Go Marching In."

"HERE WE COME"—Three Sounds—Blue Note 4088
The Three Sounds who consist of Gene Harris on piano, Andrew Simpkins on bass and Bill Dowdy on drums are not innovators or new-wave experimenters but superior exponents of free-flowing, easy-listening jazz. This Blue Note entry showcases the boys rendering seven sturdies and one original with dignity and lyrical melodic lines. The group turns in swingin' performances on "Summertime," "Just Squeeze Me" and "Our Love Is Here To Stay."

CLASSICAL PICKS OF THE WEEK

VERDI: Aida—Various Artists—RCA Victor LM 6158
There have been many wax versions of "Aida," but this new Victor package boasting the talents of Leontyne Price, Georgio Tozzi and Robert Merrill in an attractive eyecatching box is sure to spark heavy sales action. Soprano Price turns in a top-flight job in the lead role and the quality of the other singers is excellent. This three-disk set includes a libretto chocked with photos and information. One of the best waxings of the Verdi masterpiece to be cut in quite a while.

"TEN GREAT SINGERS"—Various Artists—RCA Victor LM 6705
Classical fans should come out in full force for this quality package of five LP's from Victor. The set boasts the talents of such names as Caruso, McCormack, Tibbett, Pinza and Pons rendering sixty-four complete selections from popular operas. Each artist is showcased on a full side which contains their most famous and highly-acclaimed arias. The package contains a 16-page illustrated brochure with biographical data on the performers. Strong sales potential here.

Philips Sales Staff On Move For New Issues

Lou Simon, national sales manager for Philips Records, Morris Diamond, national promotion manger, and three regional managers take to the road this week to lead a series of regional distributor meetings preparing for the second release under the Philips label due out April 5.

Simon, Diamond, George Steiner, west coast regional manager, Donald Sanders, eastern manager, and Sheldon Tirk, midwest manager will be discussing the label's initial successes, as well as the new sales plan and albums.

Label has its hopes high for French rock star Johnny Hallyday, whose first single, cut in Nashville, was recently issued. An LP, "Johnny Hallyday Sings America's Rockin' Hits," will be released soon.

New Version Of Damita Jo's "Nobody"

NEW YORK—Mercury Records has issued a new and revised version of Damita Jo's "You're Nobody Till Somebody Loves You," a highlight of the performer's nitery act.

Requests for a new version came from broadcasters and distributors to limit the amount of background noise as picked up during the original "live" recording session at Miami's Diplomat Hotel.

Mercury is keeping the original two-part reading on release. The new issue is backed with "Joey."

Lettermen Set PA's

NEW YORK — The Lettermen, the Capitol label's big teen attraction, will leave Hollywood April 8 to attend Capitol's distribution and sales convention at Miami Beach, Fla. in connection with the convention of the National Association of Rack Merchandisers (NARM).

Following an appearance at the convention, the trio will do a concert at Converse University in Spartansburg, S. C., on April 11. Two additional concerts are also set at Mt. Pleasant, Mich., on May 11, and Bowling Green, Ohio, on May 12.

Group's LP, "Songs For Young Love" is number seven on this week's mono chart, 13 in Stereo. A cut from the LP, "Come Back Silly Girl," is number 20 on this week's Top 100.

Big Town Distribs Formed In Cleveland

Her recordings have been issued in the U.S. on the Angel and Capitol labels since 1958; henceforth, all new American releases will be exclusively on Angel.

Big Advance On "Darin Sings Charles" LP

NEW YORK—Atco Records has good reason to believe it has Bobby Darin's best-selling LP yet in "Bobby Darin Sings Ray Charles." The label last week reported advance sales at 100,000, a reception that shapes up as Darin's strongest LP stint to date, according to Len Sachs, the label's director of album sales and merchandising.

Joe Beiderman of Universal Distributors, notified the label that the firm had already sold out its entire allocation of the LP prior to receiving the merchandise. Dumont Distributing in Boston re-ordered an additional 5,000 copies of the packages based on orders solicited in its territory before getting its initial allocation.

Sales should be greatly stimulated by the success of a single, "What'd I Say (Parts 1&2)," taken from the album. In its first Top 100 showing this week, the deck holds the number 71 spot.

Extensive promotion and advertising is planned for the package. Included are trade ads and consumer coop ads, a varied assortment of window displays, special printed announcements (mailed to every retail outlet in the country) and mailings of the LP to deejays.

In addition, Darin is taking time out from his heavy filming schedule to make personal calls across the country.

Hank Levine Gives Dolton Big-Band Sound

HOLLYWOOD — Arranger - conductor-producer Hank Levine has been signed to an exclusive artist's contract by Dolton Records, Liberty's subsidiary label. Levine, who just completed his initial wax sessions for Dolton, will front a big band playing his arrangements.

Signing of Levine marks Dolton's entrance into the big band field a la Liberty's Si Zentner. Levine's pact will allow him to continue free-lancing as an arranger-conductor for other artists at various labels. His initial Dolton disk, "Soupy Sales Theme," has already been issued.

Li Puma Gets Liberty Post

HOLLYWOOD—Bob Skaff, national promotion director of Liberty Records, has appointed Tom Li Puma, formerly of M & S Distributors, Cleveland, to the Southern California promotion post.

Skaff (left) is pictured handing Li Puma (right) his first assignment while Western Promotion Director Bud Dain (center) looks on approvingly.

NEW YORK—Symbolizing a bright future still ahead, a one-day entertainment program, starring Bobby Rydell, was set to be held last Sunday (25) at Atlantic City's Steel Pier, now undergoing repair after $1 million damage in the recent storms that hit the east coast.

Rydell's appearance at the event was symbolic, too. George Hamid, Jr., who operates the pier, picked Rydell to become his first "star" booking on the Pier three years ago.

Rydell has just returned from a three-month personal appearance tour around the world.

Railroad Jockey

NEW YORK—Robert Blasius, railroad clerk at the Glen Cove-Nassau station, recently did his bit to promote the sweeter sounds in popular music. Not an r&r or classical fan, Bob likes mostly light popular standards. Knowing that music makes for more conducive conditions to work by, Bob brought a phonograph to the office. Commuters liked what they heard. Soon people were asking Bob to turn up the volume. The railroader did better than that. He turned deejay and program director and put an auxiliary speaker in the waiting room so every one could enjoy the music. The photo shows Bob (left) discussing an LP with two commuters.

"Fans" Salute Philips

CHICAGO—Besides its various artists, the Philips label itself has put a claim on its own "fan club" following.

"We're still a bit overwhelmed," said the label's public relations director, Charles Byrnes, in commenting on the huge amount of letters received since the introduction of Philips Records in early January.

To announce the new label, Philips sent news stories and promotional pieces presenting the Philips Records story to every newspaper reviewer, disk jockey and station manager in major market areas across the country. "We were amazed—and delighted—when hundreds took the time to write back congratulating us." Byrnes added "We have just finished analyzing the reaction expressed in the letters, and have found they show a tremendous enthusiasm for a label presenting such a balanced programming."

After the mailing of the first Philips sample records, another batch of letters came, "this time praising the high quality of Philips' recording techniques, and the performing techniques of artists such as Richter and Legrand."

Sinatra World Tour To Benefit Children

NEW YORK—Frank Sinatra will begin his World Children's Charities Tour on April 16 when he leaves Hollywood for Tokyo. The tour is a personal project of Sinatra's and is not under the auspices of any governmental or United Nations agencies.

Following a benefit in Japan, Sinatra is scheduled to make appearances at military installations in Korea and Okinawa. He will then do benefits in Hong Kong, Greece, Israel, Italy, Monaco, Spain, Great Britain and possibly South Africa. The Monaco benefit will be under the sponsorship of Princess Grace.

Sinatra will not only entertain, to raise money locally for underprivileged children, but will also visit farms, schools and residential areas via helicopter and auto. He will be accompanied on the tour by a group of musicians, still and motion picture photographers, a sound man and several assistants. The cost of the entire six-week junket is being borne by the performer.

Film footage of this personal "people-to-people" project will be incorporated into one or two television shows to be used in the U.S. to raise money for underpriviledged American children.

Sinatra is currently completing "The Manchurian Candidate," which his Essex Productions is making in partnership with George Axelrod and John Frankenheimer for United Artists.

Steve & Eydie & New Boss

NEW YORK—As previously noted in Cash Box, Steve Lawrence and Eydie Gorme have joined Columbia Records, with official word of the pair's exclusive long-term pacting to the label coming from label prexy Goddard Lieberson, picture above right, last week.

Lawrence has already cut his first Columbia single, "The Lady Wants To Twist," done in New York under the direction of Al Kasha, with arrangements by Don Costa, who has been involved in many disk projects by the singers.

Dave Kapralik, east director of A&R, negotiated the contract which brought the artists to the diskery. He said that the label planned to "utilize fully the wide scope" of the performers' talents.

"Each singer will separately record singles as well as albums for Columbia—and, together, they'll collaborate on a number of special projects."

Lieberson noted that the deal involved "three major acquistions."

"Individually, Steve Lawrence and Eydie Gorme both rank among the world's most popular entertainers. Together, they have combined marriage and show business to produce the equally celebrated team of 'Steve and Eydie' . . ."

Both artists previously recorded for United Artists Records, and, before that, were heard on ABC-Paramount Records.

Speaker at the meeting will be Heinz Voigt, manager of Polydor and international A&R director for Deutsche Grammophon, who will be visiting the U.S. from his headquarters in Hamburg, Germany. His subject will be "The Record and Music Business in Europe and The Common Market."

Reservations for the meeting can be made through Walter Hofer, chairman, or Sidney Shemel, vice-chairman, at United Artists Records. Hofer will chair the meet.

Hamid has been appointed consultant to the chairman and will work closely with Moss on matters of entertainment policy and bookings.

Moss, previously vice-president in charge of advertising, public relations and lessee relations for Freedomland, has just made two appointments in his new post: Sidney H. Ascher, publicity director; Bill Doll & Co., national public relations consultants.

Freedomland opens for its third season May 26.

"Town" Named Top Song By H'wood Press Group

NEW YORK—"Town Without Pity," the hit pic tune that's up for an Academy Award as the best-song, has already won a prize.

It has just been adjudged the Best Song of 1961 by the Hollywood Foreign Press Association and a Golden Globe Award was presented to Christine Kaufmann, who starred with Kirk Douglas in the flick of the same name.

Gene Pitney, who sings the song on the soundtrack and has the smash version on the Musicor label, appeared at the Golden Globe Award Dinner in Hollywood and sang the tune.

Written by Dimitri Tiomkin and Ned Washington, "Town" was cut by Pitney in English, German and Italian.

Cash Box FRANCE

France won the Eurovision Song Contest! (See separate story in this issue.)

Among the awards made by the Academie Charles Cros figured, in addition to the best-male-pop-singer prize won by **Joel Holmes** which we mentioned here last week, an award for a Decca disk, "Chansons insolites" recorded by the **Trio Chantecler**. "Les Noces" by **Stravinsky** and "Le Tricorne" by **Di Falla** conducted by **Ernest Ansermet** also won prizes—in other words, two awards for the famous conductor. More on the numerous other prize-winners later.

Camillo's "Sag Warum" sung in German has rung up big sales here in France and that really is something! Perhaps he shall even have a successful career in France—unless, of course, the little fish grows up to be a big one!

Regis Tahar, Tutti Publishers' contact man, is most pleased with the success he's had where the disk jockeys are concerned with "Le Tourbillon" (from the film track of "Jules and Jim" composed by **Delerus** and **Bassiak**). **Tony Perkins** is impressive on his first platter, sung in French, and just released by EMI.

Newest **Guy Beart** waxing is from the movie "La Gamberge" "Au bout du chemin." Rivegauche and Valentino have written a cute tune—"Fifi"—especially for **Lucette Raillat** (it figures on her first EP for the Bel-Air label). Good news from Wolfsohn (Alpha Publishers). It seems that "Je chante doucement" by **Clark, Gauray** and **Petousky**, is really doing all right saleswise. Note that this is a strictly French composition. Also, **Petula Clark** has waxed it (for Vogue), accordionist **Aimable** has added to his recorded repertory and **P. Dorsay's** orchestral version is also available. The latter artists are also Vogue folks.

Also take note of a tune which bids fair to become a standard here in France. It's "Souvenirs, Souvenirs," recorded ages ago for Vogue by **Johnny Hallyday**, and which still sells just as it did in the beginning. By the way, Hallyday is leading all the singing stars in record popularity these days. Even the success of the twist on the French market is due to Hallyday. His version of "Viens danser le twist" has headed all best-seller lists for months. The young singer really has reached a position where he can sing what he pleases and impose what he pleases on the market.

News from Arteco Records brings us again to the Charles Cros Academie Awards. The series of "Armstrong VSOP" recordings featuring all of Louis' record work between 1925 and 1931 and reedited here by Odeon (same firm as Arteco) received one of the Academie's grand prizes. And congrats went to **Kurt Mohr** for having supervised these reissues. Another recent Odeon issue is "Twist and Freeze" by **Orlie** and **The Saints**.

Henri Marchal of Pathe Editions reports that he has acquired the rights to a San Remo prize tune, "Passa Il Tempo"; the French title will be "Je Te Le Dois." Pathé's **Les Chats Sauvage** will wax two **Gene Vincent** tunes in French versions, and they are "I'm Going Home" and "The Love Of A Man" which ought to find favor on the market here. "Mandolino," known in French as "Tu N'es Pas Un Ange" has been recorded for Polydor by the famous **Kessler Sisters** as well as by **Bernard Stephane**. Other waxings are scheduled.

A new Festival group is "The Twistin' Tigers," who have just waxed "Je Chante Doucement," mentioned above. Every **Frida Boccara** disk should be closely listened to and her latest featuring "Le Ciel Du Port" is no exception. The tune is an excellent one. Accordionist **Verchuren** has borrowed a Johnny Hallyday creation—it's "Retiens La Nuit" and the Verchuren version will certainly be a sure seller. A newcomer to Festival is **Jean Valtay**, whom we have mentioned here before as composer. He sings his own "Voyage De Noces" on his latest Festival saide. Following in the footsteps of **Aznavour** (Barclay), **Nino de Murcia** and **Los Matecoco** (Bel-Air), whose waxings of "Esperanza" are all doing extremely well. **Marie Jose** has now recorded the tune.

Le Vautours— in case we should forget them—have up and recorded "Ya Ya Twist." **Lucky Blondau**, another twist singer (Fontana), has waxed "Je Bois, Je Dors Et J'oublie."

Latest Barclay "discovery";: **Gary, L'Ange Noir, et Ses Demons**. Their first recording is "Ya Ya Twist." An excellent issue on the Barclay label is the new **Andre Ekyan** disk, "Une soirée chez Maxim."

A few words on "Crazy Twist," a pop label release and sung by **Jack Hammer**, Vogue's prexy, **Leon Cabat**, predicted big things for this tune. Latest EP by the **Everly Brothers** includes "Temptation Twist" and **Chris Barber** gives with an excellent version of "Majorca."

From the film "La Fayette" **Aimable** has cut the tune "Monsieur La Fayette."

France Again Wins

France was again triumphant in the Eurovision Song Contest Grand Prix 1962 which took place in Luxembourg on Sunday, March 18th.

This was France's third victory since the inauguration of the contest in 1956, having won at Hilversum in 1958 with "Dors Mon Amour" and in London with "Tom Pillibi" in 1960.

This year's winning song was "Un Premier Amour" (A First Love), composed by Claude Henri Vic with lyrics by Roland Valade. Typically French in style the number, a slow expressive ballad was sung by Isabelle Aubret. The Musical Director was Frank Pourcel.

Isabelle Aubret is 23 years old and records for Philips for whom she has been under contract for 12 months. During this time she has waxed eight singles, the biggest success being "Reve Mon Reve," which also won her the first place at the Festival d'Enghein in Paris last year. She has also appeared in cabaret in Paris and recently appeared there at the ABC Music Hall with Sacha Distel. Negotiations are under way for her to appear in TV in England, Holland, Belgium, Germany and Denmark. "Un Premier Amour" is published by Fantasia.

The song won easily with a total of 26 points, awarded by 12 of the 16 countries voting. Second with 13 points came Monaco. The song "Dis Rien" (Don't Talk) composed by Henri Salvador with lyrics by Rene Rouzaud was sung by Francois Deguelt. Third came Luxembourg with 11 points for "Petit Bonhomme" (Little Man) composed by Jacques Datin, lyrics by Maurice Vidalin and sung by Camillo Felgen.

As the winners of last year's contest with "Nous Les Amoureux," sung by Jean Claude Pascal, it automatically fell to Luxembourg to play host to the representatives of the 16 countries taking part in this year's event—the seventh since 1956 which was won by Switzerland. Subsequent winners have been Holland in 1957 and 1959, France 1958 and 1960, Luxembourg in 1961.

The Grand Duchy of Luxembourg, although one of the smallest states on the continent of Europe, is all important disk-wise, being the center of Europe's largest commercial station Radio Luxembourg, formed 30 years ago and now beaming 150 hours of record programmes a week in five languages to an audience of 50 million listeners.

The event which was televised 'live' from the concert hall of the Luxembourg Symphony Orchestra, specially converted into a TV studio for the occasion was transmitted to the countries of the 16 participants via the Eurovision link-up reaching more than 50 million viewers.

The purpose of the contest is to encourage the output of original songs by the various countries bringing about rivalry between authors and composers through the International comparison of their works.

None of the songs entered were published before February this year and were presented at Luxembourg for judging by the European Jury after winning the national heats in their respective countries. The European jury comprised 16 National Juries of 10 each, appointed by the participating countries.

Having watched the program on TV, each jury voted for every song, except its National entry, selecting the three songs it considered best—awarding 3, 2 and 1 points respectively. These votes were transmitted to Luxembourg to be added centrally, giving a grand total of 96 points.

Much importance is attached to the order of presentation—this was determined by drawing lots three days before the contest. France was centrally placed at No. 9 with Monaco and Luxembourg favorably drawn at No. 16 and No. 14. Great Britain and Yugoslavia who came fourth with ten points each were also well drawn at No. 13 and No. 12.

The songs entered ranged from the full blooded Viennese waltz submitted by Austria to the toe tapping up-tempo contributions from Finland and Germany, Sweden and the U.K.

Eurovision Song Festival's Grand Prix

Ballads were plentiful and popular, notably the first three songs of France, Monaco and Luxembourg as well as the entries from Denmark, Norway, Switzerland and Yugoslavia. Surprisingly there was a complete absence of Rock and Roll and The Twist. The sexes were evenly balanced with eight female and seven male singers, the only duo being the 'Spelbrekers' Huug Kok and and Theo Rekkers from Holland.

Two artists not making their first bid for the European trophy were Fud Leclerc of Belgium, who competed at Hilversum in 1958 and London in 1960, and Jean Phillipe, who represented Switzerland at Cannes in 1959.

Several well known conductors from previous festivals took the rostrum once again including Frank Pourcel of France, Raymond Lefevre of Monaco, Cedric Dumont of Switzerland, Kai Mortensen of Denmark, Georges de Godzensky of Finland and Jose Privsek of Yugoslavia.

The successful composer and author team of Jacques Datin and Maurice Vidalin, responsible for last year's winning song once again represented Luxembourg with "Petit Bonhomme." Geo Voumard and Emile Gardaz, composer and author of the Swiss entry "Le Retour" last year came third with "Nous Aurons Demain" and in 1956 won the first Eurovision Grand Prix with "Refrain." The 36 piece orchestra made up of members of the Luxembourg Symphony Orchestra augmented by selected musicians from Paris was under the direction of Jean Roderes. The program was compered by Mirelle Delannoy of Tele Luxembourg and the awards, solid silver medals, were presented to the winning composer, author and singer by last year's winner Jean Claude Pascal.

Representatives from many of Europe's Record companies and publishing houses arrived in Luxembourg for the contest including A & R Manager Johnny Franz and Paddy Fleming from Philips London. A & R Manager Norrie Paramor from EMI London. Jack Heath of Good Music publisher of the British entry "Ring A Ding Girl" also came from England, as did publisher George Seymour of Cinephonic.

From Germany came Herr Ittenbach, director of Electrola and Heinz Geitz and Herr Ilgner from the production department of Electrola, the recording company of the German entry, Conny. Her song "Zwei Kleine Italiener" (Two Little Italians") came fifth with nine points and has already sold 300,000 in six weeks.

Dr. Fauch came from Telefunken and publisher Dr. Alfred Schact of Aberbach in Hamburg, who has the German rights of the Swedish and Finnish songs was also present.

A strong contingent came from Paris including Philips A & R manager Jacques Canetti, Mr. de Froberville and Mr. de Roquefeuil of Pathe Marconi, Mr. Seignette of Polydor. Publishers were represented by Mr. Denis Bourgeoise of Bagatelle, publisher of last years winning song and this years Luxembourg entry. Mr. Georges Roquiere of Chappells who handles the rights for the Monaco and Spanish songs.

From the Scandinavian countries came Mr. Anders Holmstedt, president of Skandinaviska Grammophen of Sweden, and his A & R manager Ivan Nordstrom. Mr. K. G. Sigurth represented the Swedish TV company. Swedish publishers included Felix Stahl, Managing Director of Stockholm's Musik Productions who has acquired the Scandinavian rights of the British song. Also from Stockholm Mr. Ake Gerhard composer and publisher of the Swedish song.

From Finland came Mr. Aano Walli, Television producer and Mr. Jaakko Borg, manager of the Record Dept. of Editions Misik Fazer. Mr. Kjell Karlsen composer and publisher of the Norwegian song came from Viking Musik A/S of Oslo.

Dr. Riccardo Navarro, Secretary General of Fonit and Cetra came from Milan. Two versions of the Italian entry "Addio, Addio" are currently high in the Cash Box Italian charts. One by the composer Domenico Modugno on Fonit and one by Claudio Villa on Cetra.

Other visitors included Mr. Stamer from the public relations office of Decca in Holland, publisher Mr. J. de Boeck of Ardmore & Beechwood in Belgium, Mr. Volmer Sorensen of Danish TV who also wrote the lyrics for the Danish entry and Mr. Frank Tappolet, Director General of Swiss Television. Also from Switzerland conductor and publisher of the Swiss entry "Le Retour" Cedric Dumont of Editions Coda in Zurich.

FINLAND

Herman Sjöblom, 67, managing director and president for Oy R. E. Westerlund Ab, died suddenly on March 13. He had been head of this EMI company since 1940.

Finland's Eurovision Song Festival song of 1962, "Tipi-tii," has been sold to Italy, it is reported. As this is written, nothing is yet known from the Song Festival at Luxembourg, except that **Marion Rung** will be the first artist performing the Finnish song.

DENMARK

Bobby Rydell, now on a world tour, visited Copenhagen on March 1 and taped two songs, "Mammy" and "The Door To Paradise," for the Danish National TV. These songs will be televised later this month. Rydell spent two busy days in Copenhagen before he left for Milan, Italy.

Chubby Checker's "Let's Twist Again" proved to be very strong in Denmark and according to **Kurt Hviid Mikkelsen** of Skandinavisk Grammophon A/S (EMI in Denmark), the company expects another gold-mine with the same artist's new release, "The Twist"/"Twistin' U.S.A." According to Mikkelsen, the best thing that could happen for the future record sale would be a personal visit of Chubby Checker in Scandinavia. Mikkelsen also told **Cash Box** that the firm has just released Dave Appell's "Happy José," titled "Ching Ching" here. Another EMI artist, **Connie Francis**, is expected to make her first personal appearances in Scandinavia in May.

As expected, the song that was banned from joining the national Danish song competition this year, "Jeg Snakker Med Mig Selv" (I Am Talking To Myself), has proved out to be the biggest sales hit. The recording with **Gitte**, who was the one who should have sung the song in the local competition, this week appears in the 6th spot on the charts, with "Carissima", another of the Festival songs (not the winning one, however) appearing in the 10th spot. The winning song, "Vuggevise," is not yet on the sales lists. On the other hand, Sweden's Luxembourg entry, "Sol Och Vår," in a Swedish recording by **Inger Berggren** appears in the 9th spot on the Danish charts this week.

NORWAY

Doing well in Norway with her Norwegian recording of "Don't Read the Letter" is **Siv Malmquist**, the Swedish songbird, who already recorded the song —with very good success—in Swedish and Danish. This week, her Norwegian version appears in the 11th spot on the Norwegian charts.

Norway's contribution to Luxembourg 1962 does not yet appear among the Top 20 on the local charts. On the other hand, the song "Nå har jeg gjort hva som gjores kan" (Now I've Done What Can Be Done), also recorded by **Inger Jacobsen** on Columbia, this week holds the 12th spot. The song was one of the songs in the local competition.

SWEDEN

One can always be sure that something happens around Sweden's Song Festival songs. The latest is a dispute between two composers about whether the Swedish winning song is a plagiarism or not. According to STIM (the performance collecting society) another composer, Fritz-Gustaf Sundelöf, has claimed that "Sol Och Vår" is too much like his song "Nya Fågelsången" (The New Bird's Son), a song on a local Swedish song competition a couple of years ago. STIM has declared that there is no court which will make any decisions, but they will keep the money coming in on "Sol Och Vår" until the two parties solve the problem. **Ake Gerhard**, composer of "Sol Och Vår," has no comment since he prefers to wait until **Ulf Källquist**, the co-writer of "Sol Och Vår," is back in town. However, Ake Gerhard declared that he did not steal the idea. From the publisher's points of view, this might create a strange situation since "Nya Fågelsången" is published by Europa-Produktion, Ake Gerhard's private publishing company, which also is the publisher of "Sol Och Vår."

Stig Anderson, composer and publisher, head of Sweden Music, Bens Music, Spanka Music and Ivan Mogull Music for Scandinavia, tells **Cash Box** that **Paul Anka's** "Love Me Warm and Tender" looks like it will be hit here. The same goes for "Walk On By" with Leroy Van Dyke on Mercury, a song which has done very well in Norway and Denmark, and now is going strong in Sweden. Anderson is publisher of "Zwei Kleine Italiener" (Two Little Italians), Germany's contribution to the Luxembourg Festival this year, and reports great interest in Scandinavia with not less than six different local recordings. Another song Anderson believes has great possibilities here is the Belgian song, "Twist Twist," which, among others, has been recorded in Sweden by **Lill-Babs** on Karusell. **Anita Lindblom** includes the American song "I Know" on her next Fontana recording, according to Anderson, who was the publisher of "You Can Have Her," for which Miss Lindblom recently got a gold disk in Sweden.

ITALY

Philips Italiana has started distributing the Mercury Records' line in Italy, formerly represented in Italy by Gurtler and then by Ricordi. RAI, Italy's only radio and TV station, decided not to play "The Peppermint Twist" by **Joey Dee**, but Ricordi, which handles Roulette Records in Italy, has made it a hit despite the loss of broadcast exposure. Reason for RAI's move is not known.

Philips Italiana is attempting to enlarge the disk buying market with a campaign, from Jan. to Oct., among members of the National Body of Assistance to Workers to get them to buy a selected reeord repertoire at a special low price. Previous ideas along this line have come from RCA Italiana, in cooperation with Reader's Digest, and by VCM, which has a special offer under the name of Club del Disco.

"The Best of Duke Ellington," an LP featuring 10 dates by the famed pianist-maestro, has been released by VCM. The label has also released a 45 rpm **Nat King Cole** single, "Sucu Sucu (Step Right Up)," already famous here, and "Brazilian Love Song."

Nini Rosso's smash recording of "Ballad Of A Trumpet" is being used on the soundtrack of the film, "I Nuovi Angeli (The New Angels)," now showing in Rome.

The Champs, of "Tequila" fame, are now represented in Italy with "Tequila Twist" by way of Decca Italiana's London label. Decca has its own twist single, **Caterina Valente's** "Twistin' The Twist." **Pat Boone's** U.S. hit, "I'll See You In My Dreams," to be released in Italy in the near future.

Tullio Gallo (Philips) has recorded "When, When When" and "Tango Italiano," Italy's numbers 1 and 2 songs, respectively, in the manner of **Ray Conniff**, and sales are reportedly doing well.

Top prizes at the recent song festival at Viareggio went to: "Per Noi Due (For Us Two,)" by **Umberto Bindi**, which was given the Golden Burlamacco, and "Le Case (The Houses)" by **Mr. Meccia**, awarded a Silver Burlamacco. Both tunes are published by Ariston.

Durium has high hopes for **Kenny Ball's** "Midnight In Moscow," the English and American smash.

While in Rome for the opening of RCA's studios, Cash Box paid a visit to the Italian office of Aberbach, the publisher, whose Italian offices are represented by Franco Fedeli. Fedeli announced that this month would mark the first publication of original Italian music under the firm. After a year and half in Italy, Aberbach has established an impressive reputation in Italy's music field.

BENELUX

HOLLAND

Preceding his guest appearance on the **Teddy & Henk Scholten** TV show, "Zaterdagavond Akkoorden," British singing star **Frankie Vaughan** paid a visit to **Van Hoorn**'s famous shop for angler's equipment in Amsterdam, together with **Piet Beishuizen** of Philips' Phonographic Industries in Baarn and manager **Dick van Gelder.** Angling is one of Frankie's hobbies. On TV, Frankie Vaughan, of course, sang his most recent success "Tower Of Strength" (Philips, L.C. Phonogram).

Around the 1st of April, Dutch singing idols **Ria Valk, The Candy Kids,** (both Fontana, L.C. Phonogram) and **The Fouryo's** (Decca, same company) are set to appear before German TV. Also during April, Philips-star **Anneke Grönloh** will be seen on TV in Hamburg.

On March 17 Sender Freies Berlin in association with KRO-Hilversum in Holland, presented a German version of the famed "**Teddy & Henk Scholten** TV-show." Same day viewers in Holland saw "Hotel Viktoria" with **Vico Torriani,** featuring Philips-star **Vivi Bach** and **Dutch Blue Diamonds** (recording for same—Decca—label as Torriani).

Sunday, March 11 **The Blue Diamonds** were present at the showings of the German musical film "Ramona," in which they sing the title song, at the Roxy Theatre, Amsterdam. There were crowds and crowds of fans to meet and greet these top Dutch idols. Their latest single has the years old "Rio Nights" and new hit parader "Dream Baby," selling very well.

At the request of Singapore, which she recently visited, **Anneke Grönloh** recorded "Ma, He's Making Eyes At Me" and "When The Saints Go Marching In" (Philips).

Jan de Lang, who contributed to many fairy tales recorded for Philips, suddenly died of a heart attack. He was 57.

De Spelbrekers (of "Katinkafame) took the parts of **The Blue Diamonds** (who enter military service) in **The Vico Torriani** Show, filmed here at the end of March.

"Walk On By" by **Leroy Van Dyke** is Phonogram's best selling Mercury single at this moment. "Time Further Out" by **The Dave Brubeck Quartet** is the best selling Fontana LP here just now.

Bovema's **Gerry Oord** told **Cash Box** that his record company welcomed several important guests recently. Among them were **Jimmy Bayles** and **Hoyt Klinck,** international Directors of Dot-records and **Jacques Bevierre,** supervisor of EMI. "This was a very important visit," Oord said. "Mr. Bayles as well as Mr. Klinck paid a great interest in the activities of the Dutch record-market and we had extensive and useful discussions on several matters."

Bovema's Liberty-label released the "Stars Of Liberty" LP, covering the best items of 12 well-known Liberty-artists, including **Bobby Vee, Troy Shondell, The Ventures.** Another important release was **David Seville's** "With The Chipmunks Around The World"—EP.

Robert Oeges, Columbia-label manager, announced the big news that **Cliff Richard's** first visit to Holland will take place on April 7 & 8. Cliff will give personal performances in Amsterdam, Rotterdam and The Hague. His famous accompanying group **The Shadows** will be with him, too. The Columbia department is now taking all necessary steps to prepare a great deal of publicity around this forthcoming teenager-highlight.

The great piano-virtuoso from Chile, **Claudio Arrau,** who was here on March 9, will perform again in Holland on April 18. Then he gives a solo-recital in the Amsterdam Concertgebouw.

AUSTRALIA

The RCA people here are really giving fast releases these days. Their most recent speed performance was applied to **Elvis Presley's** "Good Luck Charm," which was dispatched to radio stations and disk jockeys to coincide with the American issue. Side is already enjoying tremendous sales here and will soon be climbing all over our national charts.

It looks as though the local recording industry has a king-sized problem on its hands as a result of the recent increase in musicians' recording fees, advice of which was circulated to recording companies, advertising agencies and the like a few days ago. These new rates virtually amount to a hundred per cent increase in musicians' recording fees. In the past the accepted fee has been seven guineas per three-hour call with the usual adjustments for section leaders etc. The new schedule calls for a seven guinea payment for a ninety-minute call, which brings a three-hour call to fourteen guineas. It seems certain the executives of **The Association of Australian Record Manufacturers** will soon meet with Musicians' Union executives to discuss the new fees and perhaps put forward suggestions for the solution of the deadlock that is likely to arise over the new rates.

Jim Staples, of Viking Record Co. Pty. Ltd., has advised **Cash Box** that it has secured the rights for the Chancellor, Congress and Canadian-American catalogs for Australia and New Zealand. Viking already issued the **Linda Scott** singles, "Bermuda" and "Yessirree" and other releases from these labels will follow soon, including album productions.

Talented local lass **Lana Cantrell** has an interesting new single on the Festival label, topside is "Moscow Nights," a vocal adaptation of the tremendous instrumental smash "Midnight In Moscow." "Moscow Nights" is catching strong air-play and could easily take off for **Lana Cantrell.**

Barry Stanton, a local boy recording for Festival's Leedon label, has a new single which has "Back In Your Arms" (a local composition) as the "A" side. This one is a fine follow-up to Stanton's previous chartrider "Beggin' On My Knees." Both these titles are worthy of overseas release, in fact it's surprising that they haven't been snapped up for foreign release.

England's Tony Brent, who is reported to be at present residing in Sydney, has his first single release out for Pye Records here: "What's The Reason."

RCA made a rush release of the album "Descond Blue," which is the first RCA package featuring famous alto player **Paul Desmond** of **The Dve Brubeck Quartet.** The Brubeck group is very strong on disk here and it is reasonable to predict that Paul Desmond will corner a good market with this issue.

Joe Halford of Castle Music is very excited about Castle's current batch of hit songs; they include "Don't Break The Heart That Loves You" and "Drop It Joe" (**Connie Francis**—MGM); "B'wa Nina" and "Weeping River" (**The Tokens**—RCA); "Do Re Mi" (**Lee Dorsey**—Parlophone and **Dig Richards**—Festival); "Happy Jose" (**Dave Appell**—HMV and **Jack Ross**—London) together with local titles "Baby Loves Me" written by **Elaine Goddard** and recorded on HMV by **The Allen Brothers** and "Stay Away From Him" written and recorded by **Bobby Royal.**

APRA (Australasian Performing Right Association) in conjunction with EMI produced an album entitled "Holiday Bound," which has been released on the Columbia label. The package consists of eight local orchestral compositions played by The Sydney Light Concert Orchestra conducted by **Hal Evans.** The cost of this recording has been underwritten by APRA and the album has been designed to promote interest in local compositions.

Paul Anka In Belgium

BRUSSELS—Paul Anka recently made a visit here for discussions with P. J. Goemaere (left), director of Inelco, the firm which distributes RCA Victor in Belgium. First releases will start in April. Esperon will go to Chile soon, to arrange releases in that country.

The Teen Tops (Mexican rock 'n rollers) completed their performances in Argentina, Uruguay and Chile, and are already back in Mexico, where they will work in the Paco Malgesto TV'er, and record new twist tunes. Their last record, "Popotitos," is running very well in Argentina.

RCA announced the release of the first **Paul Anka** record handled by the label. The titles in Spanish will be "Quiereme Tiernamente" and "Yo Quisiera Saber." It is also said that Anka will visit Argentina in a few months. **Ricardo Mejia**, RCA's A&R, plans to start a big promotion plan on **Presley**, **Anka** and **Neil Sedaka** in April. Jose Ruzo of Edami reports that "Ritmo de Chunga" has already fourteen recordings in Argentina: **Carlinhos** (Odeon), **Leticia Estrada** (Odeon); **Tito Alberti** (Philips); **Perez Prado** (RCA); **Chico Novarro** (Record); **Bingo Galante** (Serenata), **Trio del Plata**, **Dany Montano** (Music Hall) and others. The tune has been played very much at dance parties, during the last Carnival holidays.

News from Fermata: The publisher will start a promotion campaign for the latest Paraguayan tunes that were contracted by **Mauricio Brenner** during his last visit to that country. The artists are **Luciano Tajoli**, **Myrian Delmare**, **Jenny Luna** and others. This album couldn't be released in Italy because these artists belong to different labels; however, Gallo has negotiated the rights of releasing such a selection in South America. Cash Box GERMANY

It's always interesting to look at the record sales figures year to year in each country and draw a picture of the market and the direction that the market is taking. The complete figures for 1961 are now in and here's how it looks. Single records sales took a dip of 750,000 for the year, EP's increased 50,000 over 1960, 10" LP's which seem to be on the way out, remained constant with 1960, and the 12" LP sold 300,000 more than 1960. That means that ½ million less records were sold last year than the year before, but since the LP's bring in more cash, the market moved upward in dollar sales. In 1961, 49.5 million records were sold in Germany. The most interesting figures show that record import decreased 250,000 pieces, but record export increased by 100,000. Overall, it's a sign of maturity and independence for the German record market. We hope that it continues in the year to come. It's still basically a singles market where a million records of a hit can be sold, but the LP is finding its way into the homes of more and more buyesr daily.

Germany is still talking about **Paul Anka's** visit here, and the fine impression that he made. Before he even arrived, he sent the following letter to the Hamburg, Germany press. "I was most concerned to hear about the terrible floods in Hamburg. Therefore, I asked Teldec, my record company in Germany, to abstain from an excessive promotional campaign on my arrival at the airport. I presume that actually the people of Hamburg have more important things to worry about. However, I am looking forward to my first visit to Germany and my press conference with the German press."

Ralph Maria Siegel reports great action on the **Mr. Acker Bilk** recording of "Stranger On The Shore" which is taking off on the charts here. His publishing firm is also working on new recordings of oldies "The Beer Barrel Polka," "El Rancho Grande" and "Paper Doll" as well as the German version of "Jimmy Martinez" by **Gitta Lind**.

Radio Luxemburg reports that the following foreign records (not German) are in its top 10. "The Young Ones" by **Cliff Richard** is in 4th place, "Mexico" by **Bob Moore**—5th, and the **Connie Francis** German waxing of "Lili Marlene" is 3rd.

Karl Breuer, the general manager of Sikorski Music, will make his first trip to the U.S. on March 25 and will stay for 3 weeks at the St. Moritz Hotel in N.Y. He is there for talks with A & R men and publishers. Karl brought the tapes of the English version of the European hit "Ivan Ivanovitsch" by Swedish songstress **Anna Lena** which was released in the U.S. on Jamie Records. Right now, Karl is busy working on his many hit records in Germany.

Paul Siegel is now celebrating his 3rd anniversary as DJ for Radio Berlin. Paul is also doing shows for Radio Hamburg. He needs taped greetings from record artists in the states which can be sent to him in Berlin at 16 Tauentzien Str. Paul is also happy about his production of "It's A Long Way To Tipperary," which has been released by Seeco Records in the States.

Theo Seeger from Peer Music reports that a German version has been made from the English hit "The OO-Wee Song." **Pirko Manola** has recorded it for Teldec here.

THE CASH BOX BULLSEYE

"I DON'T FEEL AT HOME" (2:51) [4-Star BMI—Stewart]

"I DONE DONE IT" (2:01) [4-Star BMI—Barton]

WYNN STEWART (Challenge 9142)

Here's a two-sided hitsville loomer that ranks as potent follow-up stanza to the songster's recent hit of "Big, Big Love." "I Don't Feel At Home" is a first-class country tear-jerker with a lovely melody and lyric. Side could pick up plenty of loot for Stewart. In "I Done Done It" the chanter unleashes his vocal talents full-blast on a clever, uptempo novelty opus. Either side here has loads of built-in success ingredients.

"OF ALL THE THINGS" (2:31) [Cedarwood BMI—Westberry]

"CRAZY OLD HEART" (2:40) [Cedarwood BMI—Walker, Stanton]

JIMMY NEWMAN (Decca 31374)

Jimmy Newman comes up with a powerful follow-up stanza to his recent chart-rider of "Alligator Man" with this double-barreled smash item. In "Of All The Things" the songster reads a tender, slow-paced weeper with a top-flight, professional delivery. "Crazy Old Heart" is a pretty ballad with a soft, listenable beat. Eye both sides here for heavy sales action.

"MATTHEW 24" (2:45) [Russ Hull's Country Music BMI—Glosson]

"HAVE FAITH IN ME" (2:46) [Backwoods BMI—Ferguson]

WILMA LEE AND STONEY COOPER (Hickory 1167)

Wilma Lee and Stoney Cooper effectively team up with the Clinch Mountain Clan for "Matthew 24," a lively, bright gospel outing. The twosome's sincere country delivery coupled with the tune's hand-clapping beat give the wax a good chance of zooming to the charts. In "Have Faith In Me" the couple offer a fine tradition-oriented gospel item with a moving mid-deck recitation. Wax could pull plenty of loot.

"WHERE THE OLD RED RIVER FLOWS" (2:39) [Peer BMI—Davis]

"LONESOME WHISTLE" (2:32) [Peer BMI—Williams, Davis]

JIMMIE DAVIS (Decca 31368)

Looks like Jimmie Davis could have his first click in quite a while with "Where The Old Red River Flows." Tune is lively, high-spirited affair with the songster offering proof positive of his winning talents. Song's get back to Dixie theme gives it an added sales plus. "Lonesome Whistle" is a fine sentimental weeper professionally essayed by Davis. Side should attract spinners in droves.

HERB SIMS (Domar lol)

(B+) "OLD WEEPING WILLOW" (2:49) [Scottsdale BMI — Austin, Lawlor] With an effective guitar backing Herb Sims offers a pretty pop-styled tune with a singable lyric. Side showcases the chanter's top-rung, wide-range vocal talents. Wax could make some noise.

(B) "I'LL ALWAYS BE IN LOVE WITH YOU" (2:02) [Shapiro & Bernstein ASCAP—Ruby, Green, Stept] This time Sims dishes up a lovely ballad in a listenable pop vein. Wax should receive plenty of jockey attention.

JOHNNIE COOK (Fidelity 4052)

(B+) "WALKING IN MY SLEEP" (2:47) [Stone & Cook BMI—Cook] Johnnie Cook reads an extremely listenable weeper with a moving authority-filled country delivery. The lark's clear voice beautifully renders the spinnable lyric. Wax could take the thrush into the national spotlight.

(B) "BLUES COMING ON" (2:35) [Stone & Cook BMI — Cook] Here's a nice shuffle-beat chorus-backed hillbilly lament with the lark turning in a superior singing job. With the proper exposure the side could make some noise.

SMILEY MONROE (Toppa 1053)

(B+) "THE GIRL I LEAVE BEHIND" (2:20) [Mixer BMI—Mosby] Smiley Monroe comes on strong on this fast-moving catchy, uptempo etching with potent pop-flavored lyric. The songster's good-humored delivery carries him in good stead on the wax. Side is destined to garner heavy airplay.

(B) "SELFISH LIES" (2:15) [Mixer BMI—Mosby] Another potential-packed side for Monroe. Here he delivers a fine country lament with top-notch range and pitch.

DOYE O'DELL (Sage 350)

(B) "TAKE ANY NUMBER" (1:55) [Sage & Sand SESAC —Blanck] Doye O'Dell comes up with a fast-moving, lively opus with a sales-laden pop flavor. The chanter's infectious good spirits should help make the wax popular with spinners.

(B) "BURNING BRIDGES" (2:25) [Sage & Sand SESAC—Scott] Here the songster reads a familiar-sounding country weeper on traditional theme. Good wax.

Cash Box COUNTRY ROUND UP

Mercury A&R exec **Shelby Singleton** says he's having a hot time these days. He's pleased that his hot records are breaking big on the **Cash Box** Country Top 50. But the recent fire in his Nashville home wasn't so pleasant. The fire started in the kitchen but was brought under control and his file of scores was saved.

Cindy Jo and **Roy Cantrell** are currently packing 'em in at the Ballroom in Anaheim, California. This talented country duo seems to be picking up public acceptance wherever they perform.

Dick Flood sends along word that deejays needing copies of his new Epic single "King Or Clown" may obtain same by writing to him at Box 2243, Nashville 14, Tennessee.

An all-state line-up of country talent including **Marvin Fogerson**, the national champion fiddler, **Curley Gold** and his **Western Swing Drummers**, **Roy Butler**, and **Vern Orr** recently played a special dance party at the Jewish Home for the Aged in San Francisco, California. Highlight of the evening was an 80 year old lady and her partner doing the Twist.

Jim Owen has moved from WROA-Gulfport to WVMI-Biloxi. Jim says that he's hosting a country show five hours a day and he could use singles both old and new for the show.

Shirlee Hunter has been set as a featured performer at the Shenandoah Apple Blossom Festival in Winchester, Virginia for the three full days of the event May 3, 4 and 5 with appearances at numerous luncheons, dances during the festival.

Howard Vokes and his **Country Boys** are on a whirl-wind tour of the Allegheny-Kiski Valley which includes Pittsburgh. Vokes says that the twist may be hot but folks are really going for his down-to-earth country sounds in big way.

Charlie Williams of Cliffie Stone Associates writes in that his firm has signed Capitol's **Tex Williams** and Columbia's **Skeets McDonald** to exclusive management pacts.

HOWARD VOKES

Lefty Frizzell recently broke all records at Mountain Home, Idaho although it was snowing and raining during his performance.

Eddie Daniels given the green light as program director of KOKE-Austin. The station is the only one in the Texas city broadcasting exclusively country music.

An interesting success sidelight is the story of **Johnny Duncan**. The chanter was born in Nashville but went to England with a country package five years ago. Johnny liked London so much that he decided to remain there. Now the songster is putting his hopes on "The Legend Of Gunga Din" on London International. It's not every day that an artist born in Nashville has to go England to make a name for himself.

Al Lynch, country music director on KSBK-Okinawa, would like tapes from artists and deejays. Al, who is a sergeant in the USAF, says that by sending material to his military address at 1962 Comm GP, APO 239, San Francisco, California, a great deal of postage can be saved.

Happy Inking Session

NASHVILLE—Jim Denny (center) of Cedarwood Publishing was quite pleased recently when he renewed a long term contract with veteran country tunesmith Wayne P. Walker. At the same time Denny inked a new pact with Irene Stanton. Wayne and Stanton have successfully joined forces in the past with "Unloved, Unwanted" and "Imitation."

Sure, the .45 still talks big on TV.

The Seeburg Sales Corporation, Chicago 22

The "45" had its day. No doubt about it. But now the "33" is beating it to the draw. For the 45-rpm record now accounts for only 15 per cent of America's record sales. Today, when the public buys recordings, 85 per cent of their dollars go for 33⅓ albums. For better than two years, Seeburg's built-in automatic intermix has let *you* capitalize on this shift in public preference. If you have, you know the dollar-and-cents wisdom of it. If you haven't, why wait any longer?

Shortage Of Men And Machines Should Spur Early Arcade Opening Plans

Spring may not be in the air judging from where you're sitting but it's definitely on the calendar and has been since last week. All of which leads us into the arcade season once again, a business that buys and sells thousands upon thousands of amusement machines each year in preparation for the fair-weather customer, the pleasure seeker who visits amusement parks, beaches, playlands and resorts during a period that is bounded roughly on each side by Decoration Day in May and Labor Day in September—a day that signals the return of much equipment used during the summer months.

If you operate an arcade which will open its doors for this 1962 vacation crowd then you should be aware of two factors that may hinder your enthusiastic approach to the business at hand. The first obstacle is a shortage of equipment, a situation which has come about because of two reasons—lack of new arcade machine production at the manufacturing level, and an export market that absorbed great quantities of used machines during the past six months. Throw in the fact that not that much equipment is either on hand now or was actually traded back last fall.

The second major obstacle which has long since reared its head in other areas is the shortage of skilled mechanics and servicemen available to get the present wholesaler inventories in shape for operator openings.

Since machines, and men to keep 'em working, are the most important ingredients in an arcade, the situation may seem desperate. It can, however, be overcome by early planning. It is not too early to begin ordering equipment for '62 arcade openings. The sooner you order the sooner present inventories can be dipped into in order to supply your firm with the necessary number of games. Under-staffed wholesalers can get a jump on the reconditioning end of the business in order to have the equipment ready for your opening date.

With the exception of several new baseball games and new guns, no mass-produced equipment coming off the lines today is specifically earmarked for arcades. The standard shuffle-bowler-pingame inventories, while used in most arcades, are not manufactured particularly for the arcade. Several new golf games have been reported on the market but no success stories have been reported in these areas, although it may be a little too early to report. One or two efforts with radical ideas designed for arcades have not brought about any great response from ops, according to our sources. That leaves us with the new standard machines coming off the lines, and what's left of the used machines now in warehouses awaiting reconditioning by understaffed crews.

Better start ordering early to insure delivery when you need it—the day you open your doors.

Rock-Ola Names State Music In Dallas For No. Half Of Texas; Susman Heads Firm

DAVID C. ROCKOLA

CHICAGO—David C. Rockola, president of Rock-Ola Manufacturing Corporation, this city, last week announced the appointment of State Music Distributors, Incorporated, of 3100 Main Street, Dallas, Texas, as a franchised distributor of the Rock-Ola line of coin-operated phonographs, covering the northern half of the huge State of Texas. With the exception of the Panhandle Region.

Abe Susman, president and general manager of State Music Distributors, Inc., asserted, when Rockola's appointment was announced, that he and his staff are eagerly looking forward to serving the operators in the vast Texas area surrounding Dallas with their coin-operated phonograph requirements.

Susman further said: "The Rock-Ola people have for a long time recognized the basic problems of music operators throughout this country in the handling of coin-operated phonographs.

"Rock-Ola Manufacturing is presently producing a phonograph that is sensibly priced to enable the operator to meet his obligations and, at the same time, operate at a profit. This is our reason for our satisfaction and delight in Mr. Rockola's appointment of our firm.

"We can primarily attribute the success of Rock-Ola's 'Princess' model phonographs to painstaking research and exceptional engineering, and vast production facilities.

Susman further explained that State Music Distributors will always maintain a complete Rock-Ola phonograph service, parts and components system in his firm which will be "second to none!"

State Music Dists., Inc., is well known in the coin-operated amusement machine industry, and has long served the operators' needs in the Dallas trading area.

ChiCoin Releases New Bowler "Gold Crown" To Trade

Big Ball Bowler Features Quiet Action

CHICAGO—Mort Secore, director of sales at Chicago Dynamic Industries, of this city, last week unveiled Chicago Coin's newest large coin-operated bowler to the coin machine trade, while he simultaneously rushed sample games to the firm's far-flung distributor organization.

This new amusement game—Chicago Coin's "Gold Crown" big ball bowling alley features several particular revisions in the cabinetry to offer the players considerably more comfort, and performance, plus attractions.

One of the foremost innovations, Secore indicated, assures much quieter play action as the patron bowls the ball down the playfield.

"As you probably know," Secore said, "there is a layer of cork just below the highly polished flooring on the playfield. Now, our designers have further devised a method whereby there is still more pliability, and, of consequence, more facile and still quieter delivery on the alley.

"This excellent innovation was accomplished," he added, "by covering the screws used under the alley with rubber. As a result the playfield is cork lined and rubber mounted. This is easily one of the notable improvements in this type of equipment.

"Other comfort and convenience innovations players are certain to delight in are evident on the cabinet at a mere glance. The very front of the playfield (where the player leans his legs against the shin rail) is completely padded in soft, pliable rubber. This is indeed, the very first such 'Padded Rubber Shin Guard' ever offered in large, coin-operated bowling alleys.

"Also," Secore continued," the cash box which also contains the various game selector buttons and a large deluxe ashtray, was moved over to the left side of the alley. This offers an added convenience to right-handed bowlers, since the ball stand for the ball return track is more easily available.

"These various innovations, along with the most beautiful, attractive large bowler, are merely part of the overall appeal in Chicago Coin's 'Gold Crown' big ball bowling alley.

"The play is the thing (in the words of the immortal bard, Shakespeare) and that is where this exciting amusement game out-strips all other coin-operated bowlers."

Secore went into detail to explain the six bowling scoring games in ChiCoin's "Gold Crown" bowling alley. He spelled out the fact that operators practically demanded these most popular games.

He was fairly poetic in his word description of the "Red Dot" bowling game, which he said is easily considered by many at Chicago Coin Company, and among the firm's distributors everywhere, as the most thrilling game to bowl.

In "Red Dot" one "Red Flashing Dot" (illuminated on the pin hood) scores 500 points on the strike and 300 pins on a spare. Two "Flashing Red Dots" net the player 700 pins for a strike and 400 points for a spare. In graduating, three "Flashing Red Dots" are good for 900 points on a strike and 500 for a spare. In the event that no dots appear (flashing) strikes are worth 300 points and spares 200.

In "All Strike" bowling the player bowls for strikes only. This game is loaded with action and thrills. In "Super Strike" bowling the player has the privilege of going for "Strike or Bust" by simply depressing the "Strike or Bust" button. The "Super Strike" scores 600 points. If the player misses on "Super Strike" he scores only the normal pin count. The normal strike counts 300 and the spare scores 200 points.

"300 Champ" has 20-30 scoring. It is a continuous strike feature, and easily one of the favorite games in ChiCoin bowling equipment. Another game constantly in demand in Chicago Coin's games over the years is "Regulation" bowling, according to Secore. It is played in accordance with American Bowling Congress (ABC) rules. The perfect score is 300 pins.

"Flash-O-Matic" is an exciting, high scoring bowling game featuring all the thrills in skill shooting, and expert timing in shooting for the pins as rapid-moving tiny lights flash across the bottom of the backglass. Players usually have considerable fun with "Flash-O-Matic" in competition. Chicago Coin's "Gold Crown" is a 6-player bowler.

Berger Names 3 Distribs For Precision Line

NEW YORK—Harry Berger, national distributor for Precision Metalcraft Inc., manufacturers of compact vending machines, announced last week the firm's first distributor appointments since being named national factory representative two months ago.

The distributors named are as follows: Bilotta Distributing Company, Newark, New York coin machine firm with branches in Syracuse and Albany, and with upstate territorial sales rights to the Wurlitzer, Williams, Smokeshop and other coin-operated lines; Scott-Crosse Company, Philadelphia firm headed by Abe Witsen, Bally distributors in the Pennsylvania area; and First Coin Machine Exchange, Inc., Wurlitzer distributors in Chicago. Additional firms presently signing franchises with Berger are expected to announce the agreements next week.

Precision Metalcraft is a subsidiary of E.M.I., a publicly owned Minneapolis manufacturing firm. Precision is the vending division of the firm which also makes surgical instruments and electronic components.

The line includes a cigarette, cookie, cigar and laundry supply machine. Plans for sandwich machines, drink machines (hot and cold) and a complete bank called the "Snack-A-Teria" are currently ready for production and are expected this Spring.

Berger recently returned from a Minnesota trip where plans which include European sales were discussed by Berger and EMI executives.

The machines are being located in New York City bowling alleys with much success, according to Berger, and a concentrated sales program for one month has resulted in the sale to operators of "several thousand" machines according to Berger, and production for April and May has been reported at figures above the February-March volume.

Berger has plans for approximately thirty distributors in the nation but states that until such time as a wholesaler agrees to place the proper amount of emphasis on the Precision line, no appointment will be made in a particular area. "We are not looking for wholesalers with major lines who cannot devote the attention we insist must be given to our sales program," said Berger during an interview last week.

Foreign Trade Plans May Stimulate Liberal Depreciation

NEW YORK—President Kennedy's Foreign Trade Program which is currently being studied by legislators after a week-long introductory session conducted by members of the Department of Commerce and other leaders in Washington might be the wedge which opens the door to a more liberal depreciation on industrial equipment as written off on corporate tax returns in the future. As it stands, this program appears to be the only way in which such a revision in the present inequitable arrangement may ever come about.

Coin-operated equipment, long a shining example of the antiquity of today's tax laws, is depreciated over the years in about as many ways as can be found. While Philadelphia operators benefit from a 50-25-12½-12½% system, as presented years ago by a forward-thinking trade association, coinmen in neighboring locales suffer from less equitable arrangements because this system is not recognized nationally. Outlined in many complaints received here, operators tell us that the initial depreciation system used by them is the one to which they must adhere to this day, according to IRS agent decrees. There is no uniform depreciation system on the books which has been approved by the Treasury Department. Other industries suffering from write-off problems, may have uniform systems but the arrangements may be considered inequitable. In all instances, industry is in dire need of a change and the sooner American industry receives the benefit of a more equitable arrangement, the better.

Should President Kennedy's Foreign Trade plan go through as written, lower tariffs here on imports will prompt greater competition among certain industries and the Government's program expects to counteract this situation with more liberal depreciation on industrial equipment thereby permitting quicker write-offs and increased expansion, which is expected to come about once the tax situation is resolved.

After many years of waiting, the coin machine industry (and the nation's business world) can look forward to a possible breakthrough in an area that has gone too long without attention — the depreciation bottleneck which is stifling expansion plans for many.

Parks Men Vote To Retain PR

CHICAGO—The National Association of Amusement Parks, Pools and Beaches, parks association located here, announced last week that its members have approved a Public Relation Works Committee for the '62 season.

The parks men, who are eager to start the new season off, expect the PR program to resume its relationship with Communications Counselors Inc. which won strong endorsement of its 1961 program efforts at the recent Convention.

Hoffman Equipment Shown At Chi Laundry Convention

Reportedly Eliminates Need For Pressing, Touch-Ups

CHICAGO—Visitors to the American Institute of Laundering Annual Convention here at McCormack Place today saw the latest innovation in making the American Way of Living a good clean life with the showing of the first Hoffman "Valet-eria." The "Valet-eria" is a unique type of self-contained unit which consolidates fully automatic coin operated washing and dry cleaning units with the professional dry cleaning and shirt laundering services.

Previously, automatic washing machines and dry cleaning machines contained certain drawbacks because suits and dresses and such had to be spotted and pressed properly after they were brought out of the dry cleaning machines. By the same token, housewives usually don't do shirts in automatic laundries because the shirts have to be ironed and washed separately. Now all these drawbacks have reportedly been overcome with the Valet-eria center utilizes 10 automatic coin operated dry cleaners, 20 coin operated washing machines, 10 driers, four pressing machines, two finishing units plus shirt pressing machines, garment conveyors and storage systems, coin changers, dollar bill changers and all the other accouterments necessary to merge the best elements of professional dry cleaning and laundry service into the economies of coin operation.

The units are a turnkey operation where company tailor designs the Valet-eria including financing, location, building, equipment, etc., to meet the needs of his specific market area.

Revis L. Stephenson, President of Hoffman International Corporation anticipates that between 75 to 100 of these Hoffman Valet-erias will be in operation throughout the United States in the coming year.

Under this setup, a housewife will be able to have two men's suits and three dresses cleaned, and pressed and ready-to-wear for little over $3.00. Hoffman International is listed on the American Exchange, and it has jumped its volume more than 400% within the last four years. It has plants in 14 foreign countries and just moved into the American market in 1961, and is already on its way very heavily into this new, lucrative field of the future, with the Hoffman Valet-erias.

Hoffman also announced that Valet-eria service centers initially will be installed in New York, New York; Chicago, Ill.; Pittsburgh, Pa.; Cleveland, O.; Miami, Fla.; Oakland, Calif.; Raleigh, N. Carolina; Birmingham, Alabama, and Ft. Worth, Texas. In all, between 75 and 100 will be installed within a year from coast to coast. Mr. Stephenson predicted that the Valet-eria Service Centers will result in an increase in sales of over $5,000,000 during 1962, and continue on a constantly increasing rate for five years and probably longer.

Hoffman International Corporation's Valet-erias have been scientifically designed to utilize the latest automation devices so as to provide customers with the quickest, most economical and efficient laundry, dry cleaning and related services. Said Mr. Stephenson, "We also have designed these plants to provide the professional with a new and effective way to meet competition," he added. "Valet-eria Service Centers gives him an area for new investments, since each is a complete turnkey operation. We provide investors with an ideal location, financing and training of personnel where needed."

The Hoffman President noted that Hoffman will work closely with each operator to select the exact site for his proper location, and will tailor the Valet-eria to suit the individual needs of the operator in each neighborhood. We also will provide professional guidance in all phases of design and engineering, including layout of equipment and traffic flow, to create the most efficient handling of every possible facet of the business—even the design and strategic location of signs and posters—is included in our extensive program to provide operators with the means for operation at maximum profits right from the start, he added.

Stephenson added that financing arrangements require a 10-20 per cent down payment, with the balance to be paid out of profits over the next several years. Price per installation, he said, ranges from $25,000 up. Therefore, he noted, a Valet-eria center could be started with only $5,000 to $10,000 initial investment.

Stephenson also noted that the Valet-eria concept has excited interest in Europe and South America because of the overseas trend toward American-type service establishments. Hoffman representatives from France, Germany, Italy, Argentina, Mexico and Switzerland are coming to the Chicago convention and will witness the unveiling of the first Valet-eria, he added.

Lefrak Equips Bklyn. Apts. With Vendors

NEW YORK—The Lefrak organization has equipped four of its Brooklyn apartment houses with a "first" in tenant services.

The builder/realtor firm has placed drug and sundry vending machines in the buildings to provide tenants with 24-hour availability of essential items such as aspirin and headache remedies, antiseptics, band-aids, ointments for burns, razor blades, antacids and throat lozenges, etc.

This unprecedented service for apartment house dwellers will make these common home items available for emergencies and should prove of great value especially when all other sources of supply are inaccessible or closed, according to Automatic Cafeterias for Industry, the firm which installed and will service the machines.

Lefrak has installed the specially designed vending machines at 2775 East 12th Street, 3235 Emmons Avenue, 2800 Coyle Street and 2750 Homecrest Avenue.

Nine selections will be changed regularly to determine those items for which the tenants show the greatest preference. The items are specially packaged and are vended for 25 cents. The company pointed out it will be working with more than 3,000 available items.

This is the first full-scale placement of drug vending machines in apartment buildings, according to the vending machine operator. The firm, whose offices and plant are in Westbury, L. I., believes that there is a definite need for a new supply source for proprietary drugs and sundries. Up to this point, these items are usually sold over-the-counter in drug stores and super markets.

Last fall, Automatic Cafeterias pointed out, field test installations were made for these drug vending machines. Acceptance was such that the company is now entering full scale the multi-billion dollar drug and sundry market with its automatic vending machines in apartment houses.

Dynamic-Canada Dry Start German Chain

NEW YORK—Wasch und Reinigungs Automaten G.m.b.H. & Company K.G., a jointly owned company, has been formed by Dynamic Vending Corporation and Canada Dry Berlin G.m.b.H. & Company Vertriebs K.G. to open a chain of dry cleaning and laundry centers in the Frankfurt-Offenbach area of West Germany, Walter W. Bechhofer, Dynamic President announced.

Dynamic Vending Corporation is a leading exporter of coin-operated vending equipment, and is exclusive distributor of the Norge and Borg-Warner lines of dry cleaning and laundry equipment in West Germany. Recently, it opened the first overseas dry cleaning laundry in West Berlin. The Canada Dry Berlin firm is an independent bottler of soft drinks.

"By joining forces, the two companies can achieve greater results in the growing West German market." Bechhofer said. "Canada Dry Berlin is well-versed in coin-operated establishments in the market, and supplements Dynamic Vending's technical know-how, engineering staff and pioneering work in the field."

The initial venture in West Berlin—called Norge Centers—was an immediate success, Bechhofer reported. The day the center was opened, three additional installations were ordered.

Each center provides eight automatic dry cleaners, 10 coin-operated washing machines, three driers, coin changers, chairs, water heaters and soft drink vending machines.

"Pin A Rose On Mike"

ROSEN FIRM THANKED FOR HELPING STORM RAVAGED OPS

PHILADELPHIA—When the storm-swept coasts of the nation were surveyed last month after suffering devastating damage from wind, flooding, and days of rain, the South Jersey coast was among the hardest hit areas on the east coast of the country. Operators were reportedly in very bad shape and aid was rushed to many sections in order that several firms be literally put back into business.

Among the operating companies who have personally thanked those responsible for the much needed assistance in time of need, is Eva Hornberger of Hornberger Sound Service, an Atlantic City operating firm which suffered untold damages.

Dave Rosen, David Rosen Inc., a Philadelphia distributor who includes Hornberger among his long list of customers and friends, was one of the first wholesalers who rushed aid to the Jersey coast, and following is a letter received at the Rosen office last week, commending Rosen, his firm, and in particular two servicemen, Leo Crawford and Mike Weinstein, who personally salvaged what was left of many Hornberger installations and painstakingly restored the route to its near-normal level of operation.

Dear Mr. Rosen,

..Thanks to you, Leo, and Mike. I'm back in business and "percolating on all cylinders". I had heard that you were a wonderful person and always willing to help people in trouble, but never had the opportunity of first-hand knowledge until this disaster. I have never known of a wholesale distributor giving the customers such wonderful service so promptly. The AMI operators here, including Piccardi and Green, agree that they have never met anyone as credible as Leo, and to coin a phrase you may "pin a rose on Mike." He came down and calmly worked all hours, getting everybody in operation, besides the moral support of his presence.

Mr. Rosen, I think you will find the future business conducted with your firm, can express my appreciation far better than words. Thanks again.

Yours sincerely,
Eva Hornberger

Distrib For Golf Game Named

JENKINTOWN, PA. — Investment Development Associates, located here, has been appointed distributor in the Middle Atlantic and New England States for the Nail Tone "Hole-In-One" golf putting machine. Nail-Tone is located in Miami where the coin-operated game is manufactured.

Putting green of the automatic scoring machine is three and one-half feet wide and eleven feet, four inches long. An elevated contoured "green" features simulated grass, reportedly designed to track a golf ball in the same way that genuine grass would. Three holes in the green open in sequence. Four players may play nine holes in three rounds.

Balls are automatically delivered to putting position, eliminating the necessity to bend down. Scoring console at the far end of the machine, in a cantilevered position, indicates each score.

Paul Cooke, vice-president of Investment Development, advises that the game can be played in less than two minutes. Nine balls are issued for either 10¢ or 25¢ depending on the optional coin mechanism. Crated, the unit weighs 460 lbs.

Muzak Names Director For European Plans

NEW YORK—Muzak prexy Charles C. Cowley announced last week that Neil Margerison, formerly director and general manager of Planned Music Ltd., Muzak's franchiser in London, has been elected to the new post of Managing Director of the European Division.

Two years ago Muzak expanded to the Continent and now expects to add to its presently developed background music systems which operate in public places by entering European industrial outlets. The music heard in Europe is the same as that used in Muzak systems here.

Last year Muzak added Argentina, Brazil, Colombia, Peru, Australia and Finland to its present foreign division.

Margerison was with Philips Electrical Ltd. for ten years before joining Muzak. He will survey market potentials and available means of transmission of programs for the firm.

Right Distrib, Wrong Label

NEW YORK—An item appeared in this section last week along with a photo of Dance-Along Records' recording artist Joanne Engel, who was making the rounds of juke box distributor showrooms promoting her current disk "I Had The Craziest Dream" b/w "Parachute Jump." The name of the juke box distributor, Atlantic New York Corp., was inadvertently used in connection with the singer's label, which is actually Dance-Along, the label on which the record is available.

Ever wonder what ever happened to the scale business? Remember, the good old days, when practically every retail store of any consequence had a weighing scale outside, chained to the gate, or door, and for one penny you received your weight plus your fortune? Well, there were 32,000 scales in one nationwide operation at one time and the Peerless Weighing and Vending Co. in Long Island City was the operator. Today, Peerless specializes in parking lot vendors, meters, etc. but in those days, before the penny was doomed, scales were big business. Today, not too many do that well. A caller on Tenth Avenue, Jim Crosby, worked for Peerless for twenty years, and related some of his stories from those days as listeners sat-in during a coffee-klatch in the Mike Munves showroom last week.

* * * * *

"One scale on State Street in Chicago, placed outside Saturday and taken back in Monday morning was capable of taking in from $30-50," stated Crosby. The average scale drew about $10-15 weekly, according to the former scale man. Buyers at the coin machine shows spoke of routes with thousands of scales. It was big business. Watling, American, Peerless, and several others whose names don't mean much today, were the manufacturers. "The machine with the sliding weight will still perform well," said Crosby. But the good old days are gone for the one-penny scale.

* * * * *

In the first place, the penny can't stand the cost of operating as it once did. Secondly, too many bathroom scales at home killed the business. Finally, a nickel didn't go over and of course, with most weight concious people today, they know their weight every waking moment, thus the need for scales is diminished. Perhaps some day the scale will return. But in the meantime, Crosby is selling dollar-bill changers and toilet seat cover machines out of a firm which calls itself Vending Representatives Inc. Handles several lines out of NYC offices at 415 Lexington Avenue.

* * * * *

As for Mike Munves himself he has all he can do to keep up with orders for arcades what with the demand greater than the manpower to refinish and ship machines.

* * * * *

Irving Holzman, United East Coast Corp. prexy, expects to fly to Chi on Tuesday for a date with United execs. Meanwhile, the equipment is flying high with sales to points throughout the entire state.

* * * * *

Barney Sugerman tied up early in the week with several callers, while the rest of the family prepares for the Briss. Myron's little baby boy, Roger Martin, was to have arrived home with his Mom (Elaine Sugerman) from the Newark hospital and mother and son were reported doing just fine. . . . Meanwhile, the Runyon firm was planning grand opening proceedings for its East Hartford outlet, which was personally being handled by Kempy Kempner.

* * * * *

Al Simon happy over the advent of Spring. Means increased sales on the firm's Auto-Photo machines. Al D'Inzillo kept Rock-Ola and ChiCoin sales moving at a rapid pace and looked forward to the warmer temps to get back to the garden and his crabgrass. Larry Feigenbaum looking better each week, pushing games in from the trailer which just happened to be unloading the latest arrival from Chicago Coin the "Gold Crown" bowler, another in the ChiCoin "royalty" line of games.

* * * * *

Harry Berger, Westside Distributing, beaming over the way in which his Precision Metalcraft compact vending line is moving. Named John Bilotta, Abe Witsen, and First Coin Machine to his distributor list this week and promised additional names later next month. Claims the small units are selling better than could possibly be expected.

* * * * *

Abe Lipsky and Harry Koeppel slowed down a little early in the week but biz picked up again once things started humming. Mac Pollay, local operator, stopped by while we were there and looked tanner then a Miamian, and that's what he was for a few weeks. Spent his vacation in the Fountainbleau, and coincidentally picked it at the same time as the NVA bulk-peanut-charm convention. Don't talk to Meyer Parkoff or Murray Kaye about Western TV shows or they'll tell you that "the .45 is big on TV" but the 33 (rpm, that is) is the record that's big on juke boxes.

* * * * *

That's the theme this week of Seeburg's advertising theme and Atlantic NY Corp. is displaying 186 33-rpm record-packs to prove it.

* * * * *

Tickets for the Westchester affair continue to pour in and the May 22 affair looks like a solid eve of entertainment for all. . . . Arcade men in town talking about the coming season and as usual the most important topic of all is the one nothing can be done about—the weather! . . . Many coinmen expect that a good portion of business during April and May will have to be conducted at the Polo Grounds, there are that many Met boosters from the way people talk!

Joe Ash, Active Amusement, Philly, down in Florida relaxing. Bumped into Dave Gottlieb (natch) and spent time with the Gottlieb pingame manufacturer much to the mutual delight of both parties.

Chicago Chatter

Whoever it was that said "Spring roars in like a lion" must have hailed from Windy City. Between shivers and a few lusty sneezes we manage to formally welcome the season that generally bodes good prospects for the amusement industries.

While visiting at Chicago Dynamic Industries with sales chief Mort Secore we were completely briefed on ChiCoin's exciting, new "Gold Crown" big ball bowling alley, which is loaded with cabinet modifications and scoring innovations. Secore showed how operators can very easily change some of the scoring values on the backglass by simply moving one or two jacks in the back box. Easy entry makes this possible. Another ChiCoin exec thrilled over success assured for "Gold Crown" is Jerry Koci.

The new Spring season is very obvious at Bally Mfg. where general sales manager Bill O'Donnell is terrifically busy these days. In fact, we find this situation prevails among all Bally executives—and this goes for Herb Jones and Don Moloney as well. Bally's "Shoot-A-Line" is definitely the game to watch, according to Bill.

Stan Jarocki, Jr. of the Seeburg Corp. infos that Seeburg chairman Delbert Coleman and Jack Gordon, vice president in charge of the Phonograph Division, are due back sometime this week from a whirlwind swing through Europe. During their tour the pair scheduled a confab with George Gilbert, Seeburg's vice prexy in charge of the International Division. Visits were also made to Seevend in Hamburg and Seeben Corp. (both Seeburg affiliates) in Antwerp, Belgium. Tom Herrick is back in his office at the large Seeburg plant after a recent business jaunt.

'Twas a sad week for Rock-Ola Mfg's. Ralph Wyckoff. His aunt passed away Sunday, March 18, in Chi. . . . Meanwhile, at the plant David C. Rock-ola, president, announced the appointment of Abe Susman's State Music Distribs of Dallas as a franchised distributor of Rock-Ola Mfg.'s coin-operated phonos, covering the northern half of Texas, with the exception of the Panhandle. Ed Doris, exeecutive vice president, is still out of the city (in fact he pops in and out). Les Rieck is making tracks in the Deep South after first covering southern Illinois.

It was a busy, hectic week at D. Gottlieb & Co., and Alvin Gottlieb assures us this will be the norm during the complete run of Gottlieb's new "Flipper Clown" pingame. The "Flipper" series of pinball amusement games is very popular with operators and location owners, Alvin sez—and Nate Gottlieb and Judd Weinberg reiterate.

Lovely lark Norma Rivers, Vassar recording starlet, is currently wowing the patrons at swank Mangam's Chateau, in suburban Lyons Township.

Art Weinand, vice prexy of Williams Electronic Mfg. Corp., reports that biz is so big at Williams with heavy acceptance on "1962 World Series," "Extra Innings" baseball games, and "3 Coins" pingame he was forced to add much overtime production and Saturday scheduling of production and shipping to meet the demand among Williams' distributors for amusement games. Art and sales manager Jack Mittel (and aided by Marv Rosenstein) are really blazing a big production trail. Sam Stern, Williams president, a recent returnee from exotic Acapulco certainly looks like he vacationed during the miserable Chicago weather period of a few weeks ago. His tanned and fit appearance becomes him (while the rest of us look like a bunch of palefaces—ugh!).

While Herb Oettinger and Bill DeSelm are enjoying fantastic acceptance of United Mfg.'s "Bonus Baseball" game as well as the coin-operated bowling and shuffle games, they join Roy Kraehmer and Glenn Johnson in singing the praises also of United Music's new UPD coin-operated phonograph. Model UPD-100 offers so many innovations and such breathless cabinet beauty that they urge everyone to look in at their distribs and ask for a demonstration. It was styled by Raymond Loewy.

Empire Coin's owner Gil Kitt and sales manager Joe Robbins aren't asking "how are you fixed for blades?" Instead they're asking "how are you fixed for baseball games." They have three big ones: United's "Bonus Baseball," Williams' "Extra Innings" and "1962 World Series" (that's three already!), and also Midway's "Deluxe Baseball" games. . . . A busy plant indeed is the southwest side J. H. Keeney & Co. factory where Paul Huebsch is spending most of his time keeping tabs on the production and shipping departments to keep the "El Rancho" and "Hacienda" amusement games rolling along. Clayton Nemeroff hit the busy trails headed for Memphis by way of southern Illinois.

Nate Feinstein is currently taking a much needed vacation in Miami Beach (and we hope he gets some of the deep sea fishing under his belt). Meanwhile Eddie Ginsburg, Harold Schwartz and Irv Ovitz are minding the busy store at Atlas Music Co., where the heavy action is on AMI "Continental 2" phonos, Rowe vending equipment and Bally amusement games. It shapes up like an extremely busy season at Atlas, according to Irv.

Joel Stern, president of World Wide Distribs, is presently out of town and due back to his office shortly. Fred Skor and Howie Freer are keeping the visiting operators happy at World Wide during Joel's absence.

Heavy Spring action is very evident at A. C. Automatic Services busy downtown offices, where execs like Dean McMurdie, Tom Sams, Jack Dunwoody, Don Lunday and Bernie Shapiro are so practically glued to the telephones they are unavailable. Jim Newlander planed to Miami Beach for the NATD convention at the Fountainbleau Hotetl.

A swing over to National Coin Machine Exchange and words with Mort Levinson advised that export business is definitely booming at National. There is also much excitement connected with Gottlieb's new "Flipper Clown" pingame there, and mort and prexy Joe Schwartz expect a sellout on the game.

The entry of the Spring season is always big news at First Coin Machine Exchange. This year this feeling is more greatly pronounced by the availability of the Wurlitzer phonograph line. Joe Kline, president, and Sam Kolber and Fred Kline all concur with Nick Nelson that the busy distrib is certainly headquarters for music and game operators from throughout the city and a much wider area.

Certainly one of the happiest sales execs hereabouts is Bill Weikel, Fischer Sales & Mfg. Co., because Spring debuts the big boom for billiard equipment. And, with the exciting, new "Crown" line Bill feels he and Fischer prexy Ewald Fischer are offering the best in coin-operated pool tables.
